Online Beasts Children Amy Parker:

Beasts & Children Amy Parker, 2016-02-02 Linked stories exploring the dark heart of the American family Electrifying daring sure to appeal to fans of Karen Russell and Lorrie Moore Booklist starred review A St Louis Post Dispatch Best Book of the Year The Bowmans are declining Texas gentry heirs to an airline fortune surrounded by a patriarch's stuffed trophies and lost dreams They will each be haunted by the past as they strive to escape its force The Fosters are diplomats kids who might as well be orphans Jill and Maizie grow up privileged amid poverty powerless to change the lives of those around them and uncertain whether they have the ability to change their own The Guzmans have moved between Colombia and the United States each generation seeking opportunity for the next only to find that the American dream can be as crushing as it is elusive From the tense territory of a sagging grand porch in Texas to a gated community in Thailand to a lonely apartment in nondescript suburbia these wry dark stories unwind the lives of three families as they navigate the ever shifting landscapes of the American middle class No one is safe Parker reminds us especially within the family circle but one's chosen family can also offer salvation The stories like the mounted heads in the Bowmans trophy room rivet the gaze demand that readers recognize themselves in those glassy eyes and then become disconcertingly alive The New York Times Book Review **The Big Book of Bible Questions** Amy Parker, Doug Powell, 2020-03-03 The Big Book of Bible Questions addresses kids' toughest Bible questions with theologically sound answers in a way that is relatable and engaging It's filled with fun facts debunking of common misconceptions and explanations of biblical and theological concepts Publisher's marketing **Astray (Gated Sequel)** Amy Christine Parker, 2014-08-26 This a sequel to Gated is a nerve fraying contemporary young adult thriller that will make readers question loyalties as it twists truths Her life was based on a lie Lyla Hamilton almost died escaping the Community In her new life the outsiders call the Community a cult They don't understand how easy it was to believe How good it felt to belong Normal life high school and dating is harder than Lyla expected Who should she love Who should she hate The Community is willing to do terrible things to bring her back to the fold The members are still preaching Pioneer's twisted message that the end of the world is near Pulled in two directions and unsure which way to turn Lyla risks everything to follow her heart but can she uncover the Community's plan before it's too late Lyla's escape was only the beginning Praise for Gated and Astray A tense psychological thriller that will leave you gasping for breath as you race to the very last page Gretchen McNeil author of Ten An awesome creepy book that reminds me of my favorite cult films HelloGiggles.com Parker doesn't pull punches indicating a level of brutality that will appropriately disturb even as it successfully conveys Lyla's complete entrapment in the Community Compelling and not that distant from real world cults that have ended in tragedy Kirkus Reviews Starred A complex intriguing tale rooted in real world events Publishers Weekly A good choice for reluctant readers After the last page is turned the question will linger Could I ever be deceived like this School Library Journal A well rounded and thorough look into cults while still remaining entertaining throughout I look forward to reading more of Parker's
