Online Book Another Life Julie Christine Johnson:

In Another Life Julie Christine Johnson, 2016-02-02 Johnson is clearly striding in the footsteps of authors like Geraldine Brooks and Diana Gabaldon in her juxtaposition of the modern and historical New York Journal of Books Three men are trapped in time One woman could save them all Historian Lia Carrer has finally returned to southern France determined to rebuild her life after the death of her husband If nothing else her trip could grant her perspective on the region s traditional reincarnation beliefs and resurrect her dying thesis But instead of finding solace and insight in the region s quiet hills and medieval ruins Lia falls in love Raoul s very existence challenges everything she knows about life history and her husband s death As Raoul reveals the story of his past to Lia she s caught up in the echoes of a historic murder resulting in a haunting and suspenseful journey through the romantic landscape of the Languedoc region A remarkable and richly developed novel in the tradition of time travel romances by Susanna Kearsley and Diana Gabaldon In Another Life masterfully blends historical fiction with a love that conquers time
