Eternal Vigilance Ralph L. Bayrer, 2020-03-19 Your argument of how to protect the goose that laid the golden egg by defending freedom civil society and capitalism from the pernicious effects of Progressivism seems compelling to me Moreover your account of the rise of progressivism in the U S is must reading for anyone who would take a stand on political issues And no one who reads your accounts of the rise and fall of free people free market models of government in other societies can fail to agree with you about the value of government allowing the market to operate as freely as possible It is a very informative summary of an enormous amount of data that I have not seen elsewhere and a powerful empirical argument Phillip Scribner Associate Professor of Philosophy Emeritus American University

Why We Fight Sebastian Gorka, 2018-10-09 Sebastian Gorka was President Trump s strategist Dr Gorka knows Donald Trump and the threats we face Buy and read Why We Fight to find how we win and what it means to be an American hero RUSH LIMBAUGH WAR It will happen again We must be ready Sober words from Dr Sebastian Gorka a man who has made the unvarnished truth his specialty And there s one eternal truth that Americans are in danger of forgetting the most important weapon in any geopolitical conflict is the will to win And we must win In this powerful manifesto Dr Gorka explains the basic principles that have guided strategists since Sun Tzu penned The Art of War in the sixth century B C To defeat your enemy you must know him But that s the last thing liberal elites are interested in Willful ignorance about our adversary whether it s Russia China or the global jihadi movement has been crippling Tearing off America s politically correct blindfold Dr Gorka clarifies who our foes are and what makes them tick An eight year vacation from geopolitical reality under Obama left our country dangerously weakened Dr Gorka addresses the pressing questions we face as we rebuild under President Trump s leadership What are the most serious threats to American security How are they different from the threats of the past What can we do to counter these threats How can we achieve the perfect victory of vanquishing our enemies without mortal combat All the money and weapons in the world cannot substitute for the will to fight for our precious country and what she represents To remind us of what the will to win looks like Dr Gorka intersperses the stories of four American heroes Stephen Decatur Chesty Puller Red McDaniel and a warrior who never took up arms Whittaker Chambers men who believed in their country and put everything on the line for her

a serpent on her wrist Nineteenth century sideshow attractions who created fantastic abduction tales in which they claimed to have been forcibly tattooed In *Bodies of Subversion* Margot Mifflin insightfully chronicles the saga of skin as signage Through compelling anecdotes and cleverly astute analysis she shows and tells us new histories about women tattoos public pictures and private parts It s an indelible account of an indelible piece of cultural history Barbara Kruger artist **The Right to Sex** Amia Srinivasan,2021-09-21 Laser cut writing and a stunning intellect If only every writer made this much beautiful sense Lisa Taddeo author of *Three Women* Amia Srinivasan is an unparalleled and extraordinary writer no one X rays an argument a desire a contradiction a defense mechanism quite like her In stripping the new politics of sex and power down to its fundamental and sometimes clashing principles *The Right to Sex* is a bracing revivification of a crucial lineage in feminist writing Srinivasan is daring compassionate and in relentless search of a new frame Jia Tolentino author of *Trick Mirror* Reflections on Self Delusion Thrilling sharp and deeply humane philosopher Amia Srinivasan s *The Right to Sex* Feminism in the Twenty First Century upends the way we discuss or avoid discussing the problems and politics of sex How should we think about sex It is a thing we have and also a thing we do a supposedly private act laden with public meaning a personal preference shaped by outside forces a place where pleasure and ethics can pull wildly apart How should we talk about sex Since MeToo many have fixed on consent as the key framework for achieving sexual justice Yet consent is a blunt tool To grasp sex in all its complexity its deep ambivalences its relationship to gender class race and power we need to move beyond yes and no wanted and unwanted We do not know the future of sex but perhaps we could imagine it Amia Srinivasan s stunning debut helps us do just that She traces the meaning of sex in our world animated by the hope of a different world She reaches back into an older feminist tradition that was unafraid to think of sex as a political phenomenon She discusses a range of fraught relationships between discrimination and preference pornography and freedom rape and racial injustice punishment and accountability students and teachers pleasure and power capitalism and liberation *The Right to Sex* Feminism in the Twenty First Century is a provocation and a promise transforming many of our most urgent political debates and asking what it might mean to be free [We Charge Genocide!](#) Bill V. Mullen,2024-09-03 A revealing exploration of domestic fascism in the United States from the 1930s to the January 6th insurrection in Washington D C In 1951 the Civil Rights Congress presented to the United Nations *We Charge Genocide* a more than two hundred page petition that held the United States accountable for genocide against African Americans This landmark text represented the dawn of Black Lives Matter and is as relevant today as it was then as evidenced by the rise of white supremacist groups across the nation and the January 6th Capitol riot which disclosed the specter of a fascist revival in the US Tracing this specter to its roots *We Charge Genocide* provides an original interpretation of American fascism as a permanent and longstanding current in US politics dating to the origins of US settler colonialism Picking up where Angela Davis s 1971 essay *Political Prisoners Prisons and Black Liberation* left off *We Charge Genocide* reveals how the United States legal system has contributed to the growth of

fascist states and fascist movements domestically and internationally American Studies scholar Bill V Mullen contends that the preservation of a white supremacist world order and the prevention of revolutionary threats to that order structure the discourse and practice of US fascism He names this fascist modality the counterrevolution of law in tribute to the radicals on the American Left such as George Jackson Angela Davis Herbert Marcuse and the Black Panther Party who perceived the American state's destruction of revolutionary groups and ideas as a distinctive form of American fascism Mullen argues that US law particularly US race law has been an enabling mechanism for modalities of fascist rule that have locked historic blocs of non white populations into an iron cage of legal and extralegal violence To this end *We Charge Genocide* offers a legal historiography of US fascism rooted in law's capacity to legitimate and sustain racial domination By recovering the legacy of important organizations such as the Civil Rights Congress and Black Panther Party which have both theorized and resisted American legal fascism Mullen demonstrates how their work and critical theorists like Davis Marcuse Jackson Walter Benjamin and Ernst Fraenkel illuminate the threat of American legal fascism to its most vulnerable racialized victims of state violence in our time including gender and transgender violence
