features of evolving fictional forms It examines how the novel articulates the relationships between history and fiction high and popular culture art and ideology and gender and society Contributors highlight the role played by historical events and cultural contexts in the elaboration of the Spanish novel which often takes a self conscious stance toward literary tradition Topics covered include the regional novel women writers and film and literature This companionable survey which includes a chronology and guide to further reading conveys a vivid sense of the innovative techniques of the Spanish novel and of the debates surrounding it

Memory and Spatiality in Post-Millennial Spanish Narrative Lorraine Ryan, 2016-04-22 Focusing on literary texts produced from 2000 to 2009 Lorraine Ryan examines the imbrication between the preservation of Republican memory and the transformations of Spanish public space during the period from 1931 to 2005 Accordingly Ryan analyzes the spatial empowerment and disempowerment of Republican memory and identity in Dulce Chac n s Cielos de barro ngeles L pez s Martina la rosa n mero trece Alberto M ndez s Los girasoles ciegos Carlos Ruiz Zaf n s La sombra del viento Emili Teixidor s Pan negro Bernardo Atxaga s El hijo del acordeonista and Jos Mar a Merino s La sima The interrelationship between Republican subalternity and space is redefined by these writers as tense and constantly in flux undermined by its inexorable relationality which leads to subjects endeavoring to instill into space their own values Subjects erode the hegemonic power of the public space by articulating in an often surreptitious form their sense of belonging to a prohibited Republican memory culture In the democratic period they seek a categorical reinstatement of same on the public terrain Ryan also considers the motivation underlying this coterie of authors commitment to the issue of historical memory an analysis which serves to amplify the ambits of existing scholarship that tends to ascribe it solely to postmemory
