Metro Movies Harry H. Kuoshu, 2010-12-23 *Metro Movies Cinematic Urbanism in Post Mao China* takes readers on a comprehensive tour of the urbanization of Chinese cinema Focusing primarily on movies from the end of the twentieth century it is the first single authored work to explore the relationship between the changes in Chinese society caused in part by the advent of postsocialism the growth of cities and globalization and the transformation of Chinese cinema Author Harry H Kuoshu examines such themes as displacement cinematic representation youth subculture the private emotional lives of emerging urbanites raw urban realism and the allegorical contrast of the city and the countryside to illustrate the artistic richness and cultural diversity of this cinematic genre Kuoshu discusses the work of director Huang Jianxin whose films follow and critique China's changing urban political culture He dedicates a chapter to filmmakers who followed Huang and attempted to redefine the concept of art films to regain the local audience These directors address Chinese moviegoers disappointment with the international adoption of Chinese art films their lack of interest in conventional Chinese films and their fascination with emerging audio video media A considerable amount of attention is given to films of the 1990s which focus on the social changes surfacing in China from the trend of hooliganism and the Beijing rock scene to the arrival of an urban pop culture lifestyle driven by expansionist commerce and materialism Kuoshu also explores recent films that confront the seedier aspects of city life as well as films that demonstrate how urbanization has touched every fiber of Chinese living *Metro Movies* illustrates how cinematic urbanism is no longer a genre indicator but is instead an era indicator revealing the dominance of metropolitan living on modern Chinese culture It gives new insight into contemporary Chinese politics and culture and provides readers with a better understanding of China's urban cinema This book will be an excellent addition to college film courses and will fascinate any reader with an interest in film studies or Chinese culture

The Yankee Road James D. McNiven, 2015 **Bulletin of the Atomic Scientists**, 1985-09 **The Connection Cure** Julia Hotz, 2025-06-17 In this combination of diligent science reporting moving patient success stories and surprising self discovery journalist Julia Hotz helps us discover the lasting and life changing power of social prescribing Traditionally when we get sick health care professionals ask What's the matter with you But around the world teams of doctors nurses therapists and social workers have started to flip the script asking What matters to you Instead of solely pharmaceutical prescriptions they offer social prescriptions referrals to community activities and resources like photography classes gardening groups and volunteering gigs The results speak for themselves Science shows that social prescribing is effective for treating symptoms of the modern world's most common ailments depression ADHD addiction trauma anxiety chronic pain dementia diabetes and

loneliness As health care s de facto cycle of diagnose treat repeat reaches a breaking point social prescribing has also proven to reduce patient wait times lower hospitalization rates save money and reverse health worker burnout And as a general sense of unwellness plagues more of us social prescriptions can help us feel healthier than we ve felt in years As the first book on social prescribing The Connection Cure empowers you to find experience and implement this revolutionary medicine in your own community While touring the globe to investigate the spread of social prescribing to over thirty countries Hotz meets people personifying its revolutionary potential an aspiring novelist whose art workshop helps her cope with trauma symptoms and rediscover her joy a policy researcher whose swimming course helps her taper off antidepressants and feel excited to wake up in the morning an army vet whose phone conversations help him form his only true friendship and dozens more The success stories she finds bring a long known theory to life if we can change our environment we can change our health By reconnecting to what matters to us we can all start to feel better **What To Expect The 1st Year [rev Edition]**
