October 2017 actress Alyssa Milano sparked the MeToo movement The ensuing protests quickly encompassed far more than
Harvey Weinstein and the entertainment industry They expressed women's outrage at male workplace behavior in every
sector and social class and even helped elect a new generation of women leaders in 2018 But what has been the effect of
MeToo in the entertainment industry itself This book traces the movement's influence on the stories being told on changing
representations of women's lives and bodies and on the slow changes among the producers who shape the stories Analyzing
a wide set of TV and film genres including crime legal and medical dramas comedies horror and reality programming this
book covers the complex ways that media respond to social movements They sometimes give voice to brand new or
previously silenced stories but just as often make facile references that can blunt the potential for change or even fuel

for understanding the issue of torture and enhanced interrogations including their history as an instrument of state power
and warfare debates over the morality of their use in different contexts and efforts by human rights organizations and nations
to end torture and enhanced interrogation techniques worldwide Torture and Enhanced Interrogation A Reference Handbook
begins with an in depth historical overview of the practice beginning in Ancient Greece and continuing to Guantanamo Bay
and beyond After grounding the reader in the historical fundamentals the book examines the most explosive controversies

that surround the use of torture and enhanced interrogation techniques like waterboarding to extract information from prisoners or alleged enemies of the state This historical background is supplemented with primary sources that illuminate important torture related laws and international alliances as well as the perspectives of torture survivors and human rights advocates Other features in the book include profiles of notable individuals and organizations associated with the issue annotated bibliography for future research chronology of events and glossary of key terms
