Tax Bracket Prices

Joe Peek, James Allen Wilcox

Tax Bracket Prices:

Effective Federal Tax Rates 1979-1997, 2001 *Statistics of Income*, 1981 **Study of 1982 Effective Tax Rates of Selected Large U.S. Corporations**, 1983 *The Effect of Expected Effective Corporate Tax Rates on Incremental Financing Decisions* Mr. Reint Gropp, 1997-04-01 This paper uses U S panel data to estimate the effect of expected effective corporate tax rates on firm s leverage The paper directly estimates expected corporate tax rates using rational expectations The estimated measures of the expected effective tax rates of firms are related to a continuous measure of incremental debt financing The paper finds that expected effective tax rates are significantly and positively related to a higher level of debt financing Simulations suggest that debt issues would double if firms were unable to shield profits and actually faced the statutory tax rate **Property Tax Rates** Pennsylvania. Bureau of Industrial Development, 1960 **Tax Rates for the Fiscal Year, July 1 ... to June 30 ...** Alameda County (Calif.). Office of the Auditor-Controller, 1970 **Taxing Energy Use 2019 Using Taxes for Climate Action** OECD, 2019-10-15 Taxing Energy Use TEU 2019 presents a snapshot of where countries stand in deploying energy and carbon taxes tracks progress made and makes actionable recommendations on how governments could do better The report contains new and original data on energy and carbon taxes in OECD and G20 countries and in international aviation and maritime transport *Tax Rates, Orange County* Orange County (Calif.), 1965 **Assessed Valuation, Tax Levy and Tax Rates**, 1909 *Property Valuations, Tax Rates, Useful Information for Taxpayers for the Fiscal Year Ending June 30* San Diego County (Calif.). Board of Supervisors, 1964 **The Encyclopedia of Taxation & Tax Policy** Joseph J. Cordes, Robert D. Ebel, Jane Gravelle, 2005 From adjusted gross income to zoning and property taxes the second edition of *The Encyclopedia of Taxation and Tax Policy* offers the best and most complete guide to taxes and tax related issues More than 150 tax practitioners and administrators policymakers and academics have contributed The result is a unique and authoritative reference that examines virtually all tax instruments used by governments individual income corporate income sales and value added property estate and gift franchise poll and many variants of these taxes as well as characteristics of a good tax system budgetary issues and many current federal state local and international tax policy issues The new edition has been completely revised with 40 new topics and 200 articles reflecting six years of legislative changes Each essay provides the generalist with a quick and reliable introduction to many topics but also gives tax specialists the benefit of other experts best thinking in a manner that makes the complex understandable Reference lists point the reader to additional sources of information for each topic The first edition of *The Encyclopedia of Taxation and Tax Policy* was selected as an Outstanding Academic Book of the Year 1999 by Choice magazine Publisher s website [Tax Foundation's Tax Review](#) Tax Foundation, 1958 *Taxable and Tax-exempt Interest Rates* Joe Peek, James Allen Wilcox, 1985 This paper investigates empirically the effects of personal and corporate taxes on taxable interest rates and on the spread between taxable and tax exempt rates Two main sets of results emerge First we

establish that the effective marginal investors in the Treasury bill market are households as opposed to tax exempt institutions or corporations We find no evidence of corporate tax rate effects on Treasury bill yields The study is then extended to an examination of the tax exempt market The results there contradict the hypothesis that commercial bank arbitrage generally ensures that the taxable tax exempt interest rate spread is determined by the corporate tax rate Our estimates decisively reject the corporate in favor of the personal income tax rate as being the relevant tax rate of the marginal investor in this market as well *Federal Tax Handbook* ,1986 **Report of Assessed Valuations, Tax Rates, and Indebtedness (as of September ...) of the Counties of California for the Fiscal Year** ,1956 *Overall Real Property Tax Rates, Local Governments in New York State* ,1983 International Encyclopedia of Business and Management Malcolm Warner,1996 □□□□ ,1983 **Tax Rates in Minnesota, 1926** Harvey Walker,1926 *Journal of banking & finance* ,1985
