Virtual Training Jeb Blount, 2021-06-22 Remote learning has been around since the 18th century Caleb Phillips began advertising correspondence courses in the Boston Gazette in 1728 allowing people for the first time to learn new skills no matter where they lived For the past 300 years virtual training in its various formats has been meandering into shore on an inevitable yet slow building tide And then just like that everything changed A global pandemic Social distancing Working from home In an instant the tide became a tsunami The global pandemic accelerated the broad adoption of virtual instructor led training along with awareness that classroom based training is often expensive inefficient and fails to deliver a fair return on investment While it is certainly more challenging to re create the collaborative environment of the physical classroom in a virtual setting virtual training combines the structure accountability and social learning benefits of classroom training with speed agility and significant cost savings Simply put virtual training enables organizations to rapidly upskill more people while generating a far higher return on the training investment Virtual training is also green Studies indicate that virtual training consumes nearly 90% less energy and produces 85% fewer CO2 emissions than classroom training Still the biggest challenge with virtual training and the reason there has been so much resistance to it is historically the experience has been excruciating Not the quality of the curriculum or content Not the talent of the trainer The learning experience There are few people who haven't had the pleasure of sitting through agonizing virtual training sessions Death by voice over PowerPoint delivered by a disengaged instructor has an especially bitter flavor It is the way virtual training is delivered that matters most When the virtual learning experience is emotionally positive Participants are more engaged embrace new competencies and knowledge sticks Participants are more likely to show up to class and be open to future virtual training Trainers enjoy their work and gain fulfillment from making an impact Leaders book more virtual training Organizations more readily blend and integrate virtual training into learning development initiatives This is exactly what this book is about Virtual Training is the definitive guide to delivering virtual training that engages learners and makes new skills and behavioral changes stick Jeb Blount one of the most celebrated trainers and authors of our generation walks you step by step through the seven elements of effective engaging virtual learning experiences Trainer Mindset Emotional Discipline Production Technology Media Visuals Virtual Curriculum Instructional Design Planning Preparation Virtual Communication Skills Dynamic Interactive Training Delivery As you dive into these powerful insights and with each new chapter you'll gain greater and greater confidence in your ability to effectively deliver training in a virtual classroom Once you master virtual training delivery and experience the power of remote learning you may never want to go back to the physical classroom again

Playing with Myself Randy Rainbow, 2025-10-16 Instant New York Times USA Today and Wall Street Journal Bestseller An intimate and light hearted memoir by viral sensation and three time Emmy nominated musical comedian Randy Rainbow that takes readers through his life the highs the lows the lipstick the pink glasses and the show tunes Randy Rainbow the man

who conquered the Internet with a stylish pair of pink glasses an inexhaustible knowledge of Broadway musicals and the most gimlet eyed view of American politics this side of Mark Twain finally tells all in *Playing with Myself* a memoir sure to cause more than a few readers to begin singing one of his greatest hits like *A Spoonful of Clorox* or *Cover Your Freakin Face* As Randy has said There s so much fake news out there about me I can t wait to set the record straight and finally give people a peek behind the green screen And set the record straight he does *Playing with Myself* is a first hand account of the journey that led Randy Rainbow from his childhood as the over imaginative often misunderstood little boy who carried a purse in the second grade to his first job on Broadway as the host at Hooters and on to the creation of his trademark comedy character In chapters titled *Pajama Bottoms* a look back at the days when he wore pajama bottoms on his head to pretend he was Dorothy in *The Wizard of Oz* Yes It s My Real Name Shut Up no explanation necessary and *Pink Glasses* a rose colored homage to his favorite accessory *Playing with Myself* is a memoir that answers the question Can an introverted musical theatre nerd with a MacBook and a dream save the world one show tune at a time **Dr. Dobb's Journal of Software**
