The Sustainability Grand Challenge Michael Gibbert,Liisa Välikangas,Marijane Luistro-Jonsson,2020-11-26 How do universities tackle wicked sustainability challenges faced by society The Wicked Learning Workbook is a toolkit for setting up and running an interdisciplinary master level course in the context of real world problems such as food waste and loss The book offers a new pedagogical approach that we call wicked because it is unorthodox ambitious and tackles complex problems that won t go away The pedagogy is also international at the course level rather than the conventional exchange semester enabling institutions to embed international approaches to their core teaching The Wicked Learning Workbook speaks directly to academics who are looking for solutions that provide stimuli for research and teaching while giving students an innovative international learning experience The approach develops student understanding of the UN Sustainable Development Goals as broad scale societal issues which are difficult if not impossible to solve An important outcome of this approach is the laboratory style classroom that creates opportunities for faculty students and companies to co create solutions that are immediately implementable The resulting methodology is based on industry university collaboration such as IKEA and Nestl The methodology is of interest to corporate leaders pursuing sustainability goals and business transformation Achieving sustainability requires cross boundary cross disciplinary experimental approaches that allow for scalability Wicked problems can only be tackled with wicked solution approaches

Social Media Marketing

Algorithms 3 Books In 1 Jordan Connery, 2021-03-04 Social Media Marketing Algorithms Social media is a rapidly growing arena for everything from the posting of videos to car sales so it should come as no surprise that big business is growing on there too However what can it actually do to help grow your business Before selling any product you have to get your name out there and spread the word of your new social media presence By adding links to your social media accounts on your company website you are encouraging people to follow you online in order to get the most up to date information as soon as you release it When you put your company website on your social media profile it gives your clients a way to go directly to your website This will allow your customers to contact your company for more information and it is more likely to create online buyers Social media is the main way that companies are beginning to show involvement with their customers and community by promoting events they are sponsoring or releasing news to their clients Real time communication has become extremely important for customer satisfaction in today s businesses People don t want to wait for answers to their questions or for help resolving any issue they might have With social media people have direct access to comments and post feedback for companies making any kind of wait time for results obsolete Instagram Marketing Algorithms Secrets Instagram is one of if not THE best platforms you can use to market your business It provides any user a variety of ways to create content and to reach an audience For a business these are all that you would need to make people aware of your brand create relationships with them retain existing customers manage brand reputation and lead prospective customers to channels for conversion Instagram is extremely unique in so many ways and is the combination of almost all the social media sites available and then some Photos videos music color trends tags stories and messages it s all there It has the potential to support many brands and business types around the world The continued growth does not show any indication that it will end any time soon It s time for you to join in the fun and get your slice of the pie With 1 billion users it s big world to take advantage of Use the tools visit the websites and apps and explore the world of Instagram for yourself All of these guidelines will help you build an impactful brand or your small business on Instagram Build profit fuel growth and create a better more recognizable successful brand starting today YouTube Playbook Algorithm Will you like to make money from home Are you a housewife or a student that wants to make money without leaving your house or a source of income that fits your schedule Then you have got the right book YouTube and Google are the top two search engines in the whole world and technically YouTube is not even a Search engine YouTube has more than one billion viewership every month YouTube has become more popular over the years as it has reached audiences of all ages People go on YouTube to search for even the strangest thing which shows that YouTube is the go to place when people need to learn or entertain themselves You can go on YouTube to spread political messages promote your business share your humour and make tutorials on anything you are good at be it cooking beauty make up photography and much more to make more money A lot of people are already making tons of money on YouTube and you can be one of them You are probably thinking right now can I make money on YouTube and the answer to that

question is YES There are different ways to make money on YouTube and the truth is you won't start making money the first week and probably the first couple of months but with perseverance and determination you can make your first million from YouTube

The Discourse of Customer Service Tweets Ursula Lutzky, 2021-10-21 The Discourse of Customer Service Tweets studies the discursive and pragmatic features of customer service interactions making use of a corpus of over 1.5 million tweets from more than thirty different companies With Twitter being used as a professional service channel by many transport operators this book features an empirical analysis of British and Irish train companies and airlines that provide updates and travel assistance on the platform often on a 24/7 basis From managing crises in the midst of strike action to ensuring passengers feel comfortable on board Twitter allows transport operators to communicate with their customers in real time Analysing patterns of language use as well as platform specific features for their communicative functions Ursula Lutzky enhances our understanding of customers linguistic expectations on Twitter and of what makes for successful or unsuccessful interaction Of interest to anyone researching discourse analysis business communication and social media this book's findings pave the way for practical applications in customer service

Social Influence on Digital Content Contribution and Consumption Xuejing Ma, 2023-09-28 This book examines users digital content contribution and consumption behavior from a social perspective Digital content is everywhere from search results on search engines to posts on social media Incentivizing users to contribute abundant content and motivating users to engage in and pay for digital content are vital for online platforms especially those relying on digital content generated by users This book develops a theoretical framework to incorporate social influence including social presence social interaction social comparison social loafing and social relationships in users digital content contribution and consumption decisions Further using a large volume of data from online platforms the author empirically studies the role of social interaction in digital content provision and monetization from the supply side Also regarding the digital content demand side this book explores how to boost content consumption via social motives and social norms The book enriches the understanding of social influence in digital content contribution and consumption and provides practical suggestions for digital platforms mechanism design

Tourism and Technology Pratap Dixit, 2025-02-20 Tourism and Technology The Future explores the dynamic intersection between the tourism industry and technological advancements shaping its evolution We delve into the innovative ways technology is revolutionizing every aspect of tourism from traveler experiences to destination management and sustainability practices The book traces the historical context of technology in tourism highlighting key milestones and transformations that have paved the way for the current landscape It addresses the challenges and opportunities posed by the rapid integration of technology into the tourism sector covering topics such as digital marketing strategies AI driven services and IoT enabled solutions Throughout the chapters readers will discover in depth discussions on sustainable tourism practices powered by green technologies digital transformation strategies for tourism businesses and the role of data analytics in shaping decision
