Is the Atheist My Neighbor? Randal Rauser,2015-06-04 Do atheists hate God Many Christians seem to think so For the last three centuries Christians have widely assumed that atheism is always a result of a rebellious sinful rejection of God According to this view at some level atheists really do know there is a God but they sinfully suppress this knowledge because they want to live independently of God But what if that is not correct What if some folks are atheists not because they re sinful and foolish but because they ve thought hard they ve looked carefully and they have simply not found God What if the common Christian assumptions about atheism are little more than an indefensible prejudice What if the atheist really is our neighbor

Philippians: the Theology of Joy Edward L. Kanniah,2018-12-13 Joy in the Christian life has never been a divine suggestion but an indelible part of His new creation yet we have found that much of what is today dubbed Christianity lacks this intrinsic feature As to naming the source of the problem we have found many views But this author has but one to name and that is the laziness of modern Christians in understanding their position in Christ Christians do not make the study of the scriptures a lifestyle Joy as a concept was God s invention not man s and yet today people are convinced that they can obtain this blessing without Him He gave it and outlined only in His Word how to get it and keep it This is why I call it a theology and not a philosophy It requires thinking biblically A pastor of a local church and loves teaching the Bible verse by verse
