Reddit Today Tutorial:

Best Of Redditor's Update Written By Her ,2022-09-28 Yesterday I came home on my lunch break to take a quick nap before returning to work and came home to find my husband and Jamie having sex in our bed I was shocked and didn't really know what to do so I just left and went back to work I honestly wasn't even tired anymore As I was walking into work I saw that I was being bombarded with texts and calls from them both so I just turned my phone off I got out of work around 9pm but I didn't want to go home I went to a movie and just drove around after I fell asleep on the side of the road and returned home at 8am this morning to get ready for work When I walked in I saw Matthew and Jamie at the table Jamie looked sad while Matthew looked pissed I told them good morning and went and got ready for work Matthew followed me yelling saying that what I did was wrong and my reaction was compelled uncalled for Other Formats on Amazon <https://amzn.to/3dG3urz>

You Should Quit Reddit Jacob Desforges,2023-02-21 In recent years countless books articles and documentaries have addressed the negative effects that social media platforms have wrought on their users and society However these former works are incomplete nearly no attention has been paid to Reddit one of the most popular websites in the world Reddit is certainly unique among social platforms but its potential for addiction and darker side of nefarious activity should absolutely not be understated Additionally nearly no actionable advice has been provided to users of these platforms The audience is told that these websites and apps are harming their mental health wasting their time and that they are addictive which would logically make the task of quitting rather difficult but then provided zero guidance on how to disconnect from them Over 200 000 users gather on Reddit's r/NoSurf community to discuss reducing their internet use the forum is filled with reports of people who want to quit Reddit but find themselves psychologically compelled to return to the site over and over For moderate to heavy users of these platforms quitting is clearly not so simple *You Should Quit Reddit* is a paradigm shift in the genre Jacob Desforges was a Reddit user of over a decade and a self-admitted Reddit addict who spent on average around three hours daily on the site Not only is this the first book investigating Reddit's flaws as a platform but it is also written from the perspective of someone who experienced firsthand the struggle that comes with quitting these addictive platforms This book therefore also provides readers with the practical advice tools and techniques needed to shatter the cycle of digital addiction enabling them to quit visiting Reddit and other time-wasting websites for good so they can effectively reclaim their time to use in a more intentional manner

Collection Thinking Jason Camlot,Martha Langford,Linda M. Morra,2022-09-07 *Collection Thinking* is a volume of essays that thinks across and beyond critical frameworks from library archival and museum studies to understand the meaning of collection as an entity and as an act It offers new models for understanding how collections have been imagined and defined assembled created and used as cultural phenomena Featuring over 70 illustrations and 21 original chapters that explore cases from a wide range of fields including library and archival studies literary studies art history media studies sound studies folklore studies game studies and education

Collection Thinking builds on the important scholarly works produced on the topic of the archive over the past two decades and contributes to ongoing debates on the historical status of memory institutions The volume illustrates how the concept of collection bridges these institutional and structural categories and generates discussions of cultural activities involving artifactual arrangement preservation curation and circulation in both the private and the public spheres Edited and introduced collaboratively by three senior scholars with expertise in the fields of literature art history archives and museums Collection Thinking is designed to stimulate interdisciplinary reflection and conversation This book will be of interest to scholars and practitioners interested in how we organize materials for research across disciplines of the humanities and social sciences With case studies that range from collecting Barbie dolls to medieval embroideries and with contributions from practitioners on record collecting the creation of sub culture archives and collection as artistic practice this volume will appeal to anyone who has ever wondered about why and how collections are made

Ground Combat Ben Connable, 2025 Ground Combat reveals the gritty details of land warfare at the tactical level and challenges the overly subjective and often inaccurate American approach to characterizing war Ben Connable's motivation for writing the book is to replace overly subjective analyses with an evidence based approach to examining war From analyzing a set of over 400 global ground combat cases Connable shows there has been a modest and evolutionary shift in the characteristics of ground combat from World War II through the early 2020s This evidence of gradual change repudiates the popular but often hyperbolic arguments about military technical revolutions and that there is

a singular character of war in the modern era Connable identifies past and current weaknesses in military design and strategy examines common characteristics in modern ground combat from the data and reframes the debate over the historical and prospective impact of emerging technologies on war Ground Combat sets an evidentiary baseline and a new detail oriented standard for conflict research and policymaking
