Necessary Illusions Thought Control In Democratic Societies Massey Lecture:

Necessary Illusions Noam Chomsky, 1995-09-02 In his national bestselling 1988 CBC Massey Lectures Noam Chomsky inquires into the nature of the media in a political system where the population cannot be disciplined by force and thus must be subjected to more subtle forms of ideological control Specific cases are illustrated in detail using the U S media primarily but also media in other societies Chomsky considers how the media might be democratized as part of the general problem of developing more democratic institutions in order to offer citizens broader and more meaningful participation in social and political life

The Real World of Democracy C.B. Macpherson, 1992-04-29 In his 1964 CBC Massey Lectures C B Macpherson examines the rival ideas of democracy the communist Third World and Western liberal variants and their impact on one another He suggests that the West need not fear any challenge to liberal democracy if it is prepared to re examine and alter its own values

Analyzing the Israel Effect in Canada Peter Eglin, 2024-05-21 What is the life of a Palestinian worth to intellectuals in Canadian universities and news media Analyzing the Israel Effect documents and analyzes the discursive and organizational methods by which public criticism of Israel s oppression of the Palestinians is silenced in Canada as experienced through ten episodes in the life of the author over a thirty year period from 1990 2020 in interaction with his university and local and national Canadian news media As a sociological work the book is a critical autoethnography But it is also an atrocity tale a horror story of institutional self censorship amounting to the abrogation of intellectual responsibility by those specifically charged with upholding it In the end the book is a crossover between academic treatise and journalistic expos a historical narrative written by an academic from the standpoint of a political participant observer Rajan Philips The Israel Effect itself is analyzed as a three tier propaganda industry Hasbara is produced in Israel Tier 1 disseminated to Israel Lobby groups around the world Tier 2 and independently re produced actively and passively by the intellectual institutions universities and news media Tier 3 This book is about the non Jewish non Zionist institutions of Tier 3 the onlookers to war crimes ethnic cleansing and arguably genocide as in Gaza in October November 2023 This work stands as a compelling testament to the importance of preserving freedom of expression and the vital role intellectuals play in challenging injustice and promoting transparency It is ideal for scholars activists and anyone seeking to understand the complexities of political activism and the power dynamics behind public discourse

The Political Appropriation of the Muslim Body Susan S.M. Edwards, 2021-04-05 Drawing upon law politics sociology and gender studies this volume explores the ways in which the Muslim body is stereotyped interrogated appropriated and demonized in Western societies and subject to counter terror legislation and the suspension of human rights The author examines the intense scrutiny of Muslim women s dress and appearance and their experience of hate crimes as well as how Muslim men s bodies are emasculated effeminized and subjected to torture Chapters explore a range of issues including Western legislation and foreign policy against the Other orientalism Islamophobia masculinity the intersection of gender with nationalism and questions about diversity

inclusion religious freedom citizenship and identity This text will be of interest to scholars and students across a range of disciplines including sociology gender studies law politics cultural studies international relations and human rights

Communication And The Transformation Of Economics Robert E Babe, 2018-10-08 This book proposes that infusing mainline economics with more expansive and realistic conceptions of information communication transforms static neoclassicism into evolutionary political economy It results in modes of analysis that when applied through policy can lead to a sustainable future

Intellectual Citizenship and the Problem of Incarnation Peter Eglin, 2012-11-08 Who has the right to know asks Jean Francois Lyotard Who has the right to eat asks Peter Madaka Wanyama This book asks what does it mean to be a responsible academic in a northern university given the incarnate connections between the university's operations and death and suffering elsewhere Through studies of the neoliberal university in Ontario the imperial university in relation to East Timor the chauvinist university in relation to El Salvador and the gendered university in relation to the Montreal Massacre the author challenges himself and the reader to practice intellectual citizenship everywhere from the classroom to the university commons to the street Peter Eglin argues that the moral imperative to do so derives from the concept of incarnation Here the idea of incarnation is removed from its Christian context and replaced with a political economic interpretation of the embodiment of exploited labor This embodiment is presented through the material goods that link the many's compromised right to eat with the privileged few's right to know

In the News, 2nd edition William Wray Carney, 2012-07-02 Are you or your organization going to be in the news Do you want to be in the media spotlight and do you know how to deal with it In the News provides an introduction to media relations in Canada from a practical and philosophical approach Grounded in the latest research on how to work with media it explains current media practices and demonstrates how to take a proactive planned approach to dealing with media First published in 2002 to wide acclaim from media and academia alike the second edition is revised and updated containing two new chapters that outline emerging trends in media relations as well as connecting larger issues in media to its role in modern society

The Experience of Middle Australia Michael Pusey, 2003-03-27 Examines middle Australia and how it is coping with the changes of economic reform

Necessary Illusions Thought Control in Democratic Societies, 1995 In his national bestselling 1988 CBC Massey Lectures Noam Chomsky inquires into the nature of the media in a political system where the population cannot be disciplined by force and thus must be subjected to more subtle forms of ideological control Specific cases are illustrated in detail using the U S media primarily but also media in other societies Chomsky considers how the media might be democratized as part of the general problem of developing more democratic institutions in order to offer citizens broader and more meaningful participation in social and political life

Risky Business Michael D. Mehta, 2005-01-01 This David and Goliath story chronicles and analyzes how a small underfunded public interest group Durham Nuclear Awareness of Oshawa Ontario mobilized opposition to the December 1994 re licensing of the Pickering Nuclear Generating Station Michael D

Mehta explores the struggle between Durham Nuclear Awareness and Canada's nuclear establishment to illustrate how risk as a concept can be used to understand contemporary political conflicts

Sport, Civil Liberties and Human Rights Richard Giulianotti, David McArdle, 2014-01-02 What is the relationship between sport and human rights Can sport protect and enhance the human rights of competitors and sport workers Can it also undermine those rights These topical issues are among the many that are explored in this groundbreaking volume which analyzes how sports both contribute to and undermine the human rights of participants spectators and workers The papers are written by esteemed academics whose work is at the cutting edge of this burgeoning area of study Experts from around the world have contributed to this important work and examine controversial issues such as sexual harassment racism freedom of movement sport as popular protest This book was previously published as a special issue of *Sport in Society* *Jahresbibliographie Massenkommunikation*, 1989

In the News, 3rd edition William Wray Carney, Colin Babiuk, Mark Hunter LaVigne, 2019-04-09 Now in its third edition *In the News* is the standard Canadian textbook on media relations used across the country The authors provide an introduction to media relations grounded in both communications theory and hands on day to day experience Whether you need to promote your issues to the nation or reach small targeted groups this book is your step by step guide *In the News* is perfect for communications students media relations practitioners in the private public and voluntary sectors and anyone who wants to break a story

Mediating Culture William Anselmi, Kosta Gouliamos, 1994 This collection of essays has been taken up with questions of power mediation marginality democracy political economy alienation and socio cultural transformations The objective of the editors is not necessarily to determine what the answers must be but to recommend some paramount lines of investigation towards tentative means of analysis The authors invited to participate in this project are Robert Babe Cornelius Castoriadis Noam Chomsky Nicos Poulantzas Domenico D Alessandro Denis Bachand Francesco Guardiani Daniele Pieroni Cris Podmore William Anselmi and Kosta Gouliamos

Civil Society & Democratization in Egypt, 1981-1994 Moheb Zaki, 1995

Managing the Counterrevolution Stephen M. Streeter, 2000 The Eisenhower administration's intervention in Guatemala is one of the most closely studied covert operations in the history of the Cold War Yet we know far more about the 1954 coup itself than its aftermath This book uses the concept of counterrevolution to trace the Eisenhower administration's efforts to restore U S hegemony in a nation whose reform governments had antagonized U S economic interests and the local elite Comparing the Guatemalan case to U S sponsored counterrevolutions in Iran the Dominican Republic Brazil and Chile reveals that Washington's efforts to roll back communism in Latin America and elsewhere during the Cold War represented in reality a short term strategy to protect core American interests from the rising tide of Third World nationalism
