Need Attendance Sheet For Vbs:

The Best VBS Workbook Ever! Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It s a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children s Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network

VBS Dewald van Rensburg, 2020-10-01 Originally the Venda Building Society VBS Mutual Bank was a small little known lender in Limpopo before it rocketed from obscurity in 2016 by giving President Jacob Zuma a controversial home loan to repay the state for improvements to his Nkandla homestead The bank was growing rapidly and sold itself as a fearless champion of black advancement Its main shareholder Vele Investments was on a meteoric trajectory towards becoming a financial conglomerate worthy of national attention When the bank abruptly went into curatorship in March 2018 no one had any reason to doubt that it was just another unfortunate corporate failure Then the astonishing truth emerged the collapse of VBS was due to an epic R2 billion fraud that had created Vele s empire out of thin air and left the bank a hollow shell VBS A Dream Defrauded unravels the fraud exploring how suspected mastermind Tshifhiwa Matodzi and his associates first took control of VBS fed ANC patronage networks and operated under a nationalist mantle endorsed by Venda royalty The book explains how the bank and its shareholder Vele were seemingly built into a multibillion rand business exposes the political machinations that guaranteed VBS up to R3 5 billion in unlawful funding from municipalities and other state institutions and describes the free for all that ensued after the bank s collapse when all involved tried to cover their tracks Written by one of the journalists who first broke the story this book draws on interviews with VBS insiders and other role players as well as documents and detailed forensic evidence collected in the course of two years of investigations This is a compelling account of a bank heist whose shockwaves continue to haunt the politicians businessmen and traditional leaders who enabled it
