Needs Assessment Phase Iii Taking Action For Change Book 5 Needs Assessment Kit:

Needs Assessment Phase III Laurie Stevahn, Jean A. King, 2009-12-02 I especially like the depth and breadth of the book and the willingness to address the complexity of conducting quality needs assessment It is a book that students will continue to use as they move into the professional world for years to come Ellen Darden Concord University This book takes the reader through the process of getting results utilized and then evaluating the needs assessment itself The authors illuminate the pitfalls to avoid along the way The text also explains where the techniques best fit into making utilization a reality Although this book can be used in a stand alone fashion it is part of the Needs Assessment KIT five interrelated and sequenced books that take the reader through the needs assessment process ISBN 978 0 7619 2595 8 *Needs Assessment Phase I* James W. Altschuld, J. N. Eastmond, Jr., 2010 Frequently starting a meaningful needs assessment is problematic This book focuses on numerous approaches for doing just that Its content includes such things as the cultural audit initial scaled or open ended questionnaires for use by the group guiding the assessment how to select members of that group and how to organize its endeavors techniques for conducting collaborative ventures across organizations sources of available information that might be used early in the process and so forth The emphasis is on collecting existing information before going to the expensive process of creating new data Decisions coming from Phase 1 are described Needs Assessment Phase I James W. Altschuld, J. N. Eastmond, Jr., 2009-11-17 The Authors have done a good job of conveying the nuts and bolts of the process and problem situations that can arise from political and social conditions Stephanie Brzuzy Xavier University The authors offer a nice overview of the process involved in developing and conducting needs assessments They make a cogent argument for the importance of identifying and addressing potential barriers to conducting a worthwhile needs assessment Melanie Otis University of Kentucky Although this book can be used in a stand alone fashion it is part of the Needs Assessment KIT five interrelated and sequenced books that take the reader through the needs assessment process ISBN 978 0 7619 2595 8

Needs Assessment James W. Altschuld, Jeffry L. White, 2010 This volume four of The Needs Assessment Kit provides a good overview of how to analyze two distinct types of data pull them together in a meaningful way and to derive priorities from the collation of the information that has been generated by the needs assessment What should result is a stronger foundation for needs related decisions and one that will stand the scrutiny of involved and questioning audiences This text offers guidance not absolute solutions to help needs assessment committees NACs and their facilitators work through the complexities of analysis and subsequent prioritization **A Guide to Assessing Needs** Ryan Watkins, Maurya West Meiers, Yusra Visser, 2012-01-06 Making informed decisions is the essential beginning to any successful development project Before the project even begins you can use needs assessment approaches to guide your decisions This book is filled with practical strategies that can help you define the desired results and select the most appropriate activities for achieving them

Program Evaluation Kenneth J. Linfield, Emil J. Posavac, 2018-09-03 This text provides a solid foundation in program

evaluation covering the main components of evaluating agencies and their programs how best to address those components and the procedures to follow when conducting evaluations Different models and approaches are paired with practical techniques such as how to plan an interview to collect qualitative data and how to use statistical analyses to report results In every chapter case studies provide real world examples of evaluations broken down into the main elements of program evaluation the needs that led to the program the implementation of program plans the people connected to the program unexpected side effects the role of evaluators in improving programs the results and the factors behind the results In addition the story of one of the evaluators involved in each case study is presented to show the human side of evaluation This new edition also offers enhanced and expanded case studies making them a central organizing theme and adds more international examples New online resources for this edition include a table of evaluation models examples of program evaluation reports sample handouts for presentations to stakeholders links to YouTube videos and additional annotated resources All resources are available for download under the tab eResources at www.routledge.com 9781138103962
