The Secret of Progress (Classic Reprint) W. Cunningham, 2016-10-16 Excerpt from The Secret of Progress Buckle¹ regarded it as clear that militarism and high intellectual development were not compatible till recently many people were prepared to believe that warfare was alien to the interest of civilised peoples and could only occur among half civilised or backward races But this war has shown that these hopes were vain and that the last result of civilisation was not to render war impossible but to give the means of carrying it out on a vastly extended scale The increase of knowledge and of power over nature and the sense of the benefits of intercourse and inter communication have not sufficed to give us any immunity from war About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Greatest Classics Ever Written is a meticulously crafted anthology that traverses the expansive landscapes of literary genius, presenting readers with a collection as diverse in style as it is rich in thematic depth. From the tragedy and introspection of Shakespeare's prose to the pioneering science fiction narratives of H. G. Wells, the anthology showcases an astonishing range of literary forms: plays, poems, novels, and philosophical treatises. Each selection has been chosen not only for its individual merit but also for its contribution to the collective exploration of human nature, society, and the eternal quest for knowledge and beauty. The inclusion of texts from antiquity to the brink of the modern era ensures a kaleidoscopic view of universal themes through the lens of historical and cultural paradigm shifts, making it a standout compilation. This anthology's strength lies in the assembled authors' backgrounds, each heralding from different corners of the globe, contributing to a rich mosaic of human experience. The editors have skillfully woven together works from literary titans such as Dante and Tolstoy, visionaries like Kafka and Dostoyevsky, alongside seminal figures in philosophical thought like Plato and Nietzsche. This harmonious integration underscores the anthology's alignment with significant historical, cultural, and literary movements, offering readers a textured and deep understanding of the themes it explores. The contributors' varied voices collectively offer a unique lens through which the labyrinth of human condition and its expressions are explored, bridging temporal and geographical divides. The Greatest Classics Ever Written is an indispensable volume for

anyone keen to immerse themselves in the masterworks of literary legends It offers readers a unique opportunity to engage with the multiplicity of perspectives narrative styles and thematic explorations contained within This anthology is not merely a collection of works it is a dialogic space where centuries of human thought artistic expression and philosophical inquiry intersect It invites readers to embark on a journey that spans epochs cultures and ideologies emphasizing the educational value and the profound insights that such a comprehensive exploration of literature can provide The collection is a testament to the enduring power of written word fostering a deeper appreciation for the interconnectedness of human experiences across time and space
