

The background of the cover is a detailed, high-tech illustration of a futuristic city at night. A massive, metallic, and highly complex structure, possibly a space station or a large-scale industrial facility, dominates the left side of the frame. It features glowing orange and yellow lights, suggesting intense heat or power. The structure has various mechanical components, pipes, and platforms. In the background, the city below is a dense grid of lights and structures, with several bright, fiery explosions or fires visible, adding to the sense of conflict or disaster. The overall color palette is dark, with a lot of blues, greys, and blacks, punctuated by the warm colors of the lights and fires.
