Bob is a graphic designer, website developer and of course a talented illustrator who lives in Lebanon, Pennsylvania with his wife and five children. Bob uses his creativity and design expertise to further the business goals of his clients. Through consultation and conversation, he gathers content, colors, type, illustrations, and shapes to capture and convey a company's message. You'll find his self-portrait on page 99 of the book.

The challenge is to limit the inflow and purge the unnecessary items that somehow remain stuck in your environment. Vali's insightful book will help you accomplish those two life-changing goals. Chris continues to research and study both the mental and physical aspects of living a more joyful and productive life and pass them on to his readers.

Debbie Lillard, Certified Professional Organizer and author of *Absolutely Organize Your Family* and *Absolutely Organized: A Mom's Guide*, describes Vali's book. Vali writes with an environmentally responsible attitude towards ridding the world of CRAP. Her resources are valuable; this is a book you'll want to recycle and reuse again and again. Debbie owns an organizing business in Broomall, Pennsylvania, and shares her expert advice on various media channels. Vali wants readers to know that the goal of organizing isn't to have a perfect Better Homes and Garden house; hers isn't, but rather to provide order to enjoy the space you have, handle the tough times with grace, and aspire to live the best life possible.
