Black Friday This Month:

Monthly Entries for the Spiritual but not Religious through the Year Mark G. Boyer, 2022-08-30 This is a book about spirituality for the spiritual but not religious Those who identify themselves as spiritual but not religious make up one quarter of the population in the United States This book provides 189 monthly entries based on the national and international celebrations that occur every month Each entry begins with the name of the occasion and the date when it is marked during the month A text from the Bible a US public law a presidential proclamation a United Nations declaration etc that illustrates the day is presented The text is followed by a reflection which gleans the spirituality from the text and provides historical background on the day being celebrated Journal meditation questions follow the reflection and a prayer concludes the entry This book is for the spiritual but not religious a practice of spirituality that does not regard organized religion as a valuable means to further interior spiritual growth A section of the introduction to the book explores who the spiritual but not religious are and presents the common themes that surface from research about them **Ideological Idiocy** Tygrrrr Express, 2010-04-08 Conservatives are busy trying to save the world The world is going to heck in a handbasket and liberals are trying to figure out whether to hold angry peace rallies or celebrate the environment by leaving their signs on the grass for productive people to clean up If only they knew how many trees and bunny rabbits were murdered on 9 11 by people unconcerned with carbon emissions Liberals like to declare every conservative on the planet to be either evil or stupid Ideological Idiocy is about their declaration of our being unenlightened dolts This is ideological idiocy Having liberals declare the author stupid is like listening to members of the KKK call him insensitive Conservatives must remember that our critics do not matter Nobody listens to these crying children For those that do not have a blunt instrument nearby or are looking for a solution that avoids jail humor is a powerful weapon Use it against the left every moment they breathe They may get offended but that is the point The only thing that the author wants to communicate in this book is that without love and laughter there is no life Nothing he does will change the world but if it gets a stiff person to lighten up and smile he is pleased The only marketing calender you will need , **Anglicisms around the Globe** Henrik Gottlieb, Anabella-Gloria Niculescu-Gorpin, Alicja Witalisz, Keisuke Imamura, Jaime W. Hunt, 2025-11-14 This collection explores the global impact of English through fact based and contrastive analyses of different types of Anglicisms across a wide range of languages This volume showcases the ways in which contact induced language change operates across several different languages simultaneously This approach allows for an examination of similarities and differences in the adaptation processes of English models in languages with differing phonetic morphological syntactic and writing systems Drawing on data from the Global Anglicism Database GLAD the first multilingual repository featuring lexical and phraseological Anglicisms chapters look not only at visible Anglicisms such as augmented reality or easy listening which reflect their English origin but also at invisible Anglicisms cases in which English expressions are translated verbatim and cases when words in a recipient language change

their meaning due to English influence This volume offers a multi layered perspective on how Anglicisms develop and blend into different languages and readers are presented with a nuanced understanding of contact induced language change This book will appeal to students and scholars interested in language contact World Englishes language policy and planning bilingualism and lexicography

Grokking Simplicity Eric Normand, 2021-07-13 The most insightful and intuitive guide to clean and simple software I recommend this to all software developers Rob Pacheco Vision Government Solutions Grokking Simplicity is a friendly practical guide that will change the way you approach software design and development Distributed across servers difficult to test and resistant to modification modern software is complex Grokking Simplicity is a friendly practical guide that will change the way you approach software design and development It introduces a unique approach to functional programming that explains why certain features of software are prone to complexity and teaches you the functional techniques you can use to simplify these systems so that they re easier to test and debug Purchase of the print book includes a free eBook in PDF Kindle and ePub formats from Manning Publications About the technology Developers rightly fear the unintended complexity that infects most code This book shows you how to write software that keeps complexity close to its inherent minimum As you write software you should distinguish between code that alters your system s state and code that does not Once you learn to make that distinction you can refactor much of your state altering actions into stateless calculations Your software will be simpler About the book The book also teaches you to solve the complex timing bugs that inevitably creep into asynchronous and multithreaded code In ad vanced sections of the book you learn how composable abstractions help avoid repeating code and open up new levels of expressivity What s inside Patterns for simpler code Powerful time modeling approaches to simplify asynchronous code How higher order functions can make code reusable and composable About the reader For intermediate and advanced developers building complex software Exercises illustrations self assessments and hands on examples lock in each new idea About the author Eric Normand is an expert software developer who has been an influential teacher of functional programming since 2007 Table of Contents 1 Welcome to Grokking Simplicity 2 Functional thinking in action PART 1 ACTIONS CALCULATIONS AND DATA 3 Distinguishing actions calculations and data 4 Extracting calculations from actions 5 Improving the design of actions 6 Staying immutable in a mutable language 7 Staying immutable with untrusted code 8 Stratified design part 1 9 Stratified design part 2 PART 2 FIRST CLASS ABSTRACTIONS 10 First class functions part 1 11 First class functions part 2 12 Functional iteration 13 Chaining functional tools 14 Functional tools for nested data 15 Isolating timelines 16 Sharing resources between timelines 17 Coordinating timelines 18 Reactive and onion architectures 19 The functional journey ahead

more One of the most impressive reference volumes in the world Publishers Weekly From national days to celebrity birthdays from historical milestones to astronomical phenomena from award ceremonies and sporting events to religious festivals and carnivals Chase s is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2025 Chase s also features extensive appendices astronomical data major awards perpetual calendar as well as an exclusive companion website that puts the power of Chase s at the user s fingertips 2025 is packed with special events and observances including National days and public holidays of every nation on Earth Scores of new special days weeks and months such as the International Day for the Arabian Leopard Feb 10 American Sparkling Wine Day July 3 or Reduce Your Lawn Day May 20 Birthdays of new world leaders lauded authors sports stars and breakout celebrities Info on milestone anniversaries such as the 250th anniversary of the beginning of the Revolutionary War the 250th birth anniversary of Jane Austen the 150th birth anniversary of Mary McLeod Bethune the 50th anniversary of the cult film The Rocky Horror Picture Show the 25th anniversary of the first human habitation of the International Space Station and much more Information on such special events as the International Year of Glaciers Preservation and Expo 2025 And much more **EBOOK: Economics for Business, 6e** DAVID BEGG, DAM, 2020-01-21 EBOOK Economics for Business 6e *In the Arms of Baby Hop* Kenneth Attaway, 2006-10 Many times in my adult life I have had what I would call an awake out of body experience During these times I was peeking in at my life in a dream state thinking this cannot be my life I found myself asking the questions of what happened to the child who outsmarted the world and what happened to the teen who had all the answers and confidence to boot and the young adult who never settled for can t Well somewhere along the way the only thing left of who I was once was were just shreds of an almost non existent life Now don t get me wrong there were some good times along the way but it certainly was not always smooth sailing But what came later in life was no comparison to the early years Not that long ago my life was filled with disappointment brokenness worry anxiety and fear I survived breakups and breakdowns sadness and pain grief and loss beyond description all of which led to a one way ticket to Depression Central Getting off the road to depression was very difficult for me but there is no job too hard for God If you can relate to the paralyzing despair that I went through then please know that I fellowship with you and understand the grip depression and anxiety can have on your life However I want you to know that your destination does not have to be a one way ticket to the land of despair instead your journey can bring you to a place of joy and peace if you simply trust and believe in God *Disruptive Religion* Christian Smith, 2014-07-16 Religion has long played a central role in many social and political movements Solidarity in Poland anti apartheid in South Africa Operation Rescue in the United States each of these movements is driven by the energy and sustained by the commitment of many individuals and organizations whose ideologies are shaped and powered by religious faith In many cases religious resources and motives serve as crucial variables explaining the emergence of entire social movements Despite

the crucial role of religion in most societies this religious activism remains largely uninvestigated Disruptive Religion intends to fill this void by analyzing contemporary social movements which are driven by people and organizations of faith Upon a firm base of empirical evidence these essays also address many theoretical issues arising in the study of social movements and disruptive politics
