Social Media Listening and Monitoring for Business Applications Rao, N. Raghavendra, 2016-09-21 Social media has transformed the ways in which individuals keep in touch with family and friends. Likewise, businesses have identified the profound opportunities present for customer engagement and understanding through the massive data available on social media channels. In addition to the customer reach of such sites, Social Media Listening and Monitoring for Business Applications explores research-based solutions for businesses of all types interested in an understanding of emerging concepts and technologies for engaging customers online. Providing insight into the currently available social media tools and practices for various business applications, this publication is an essential resource for business professionals, graduate-level students, technology developers, and researchers.

No B.S. Guide to Direct Response Social Media Marketing Dan S. Kennedy, Kim Walsh Phillips, 2020-05-19 Everyone's talking about it, but nobody knows what they're talking about. Social Media Examiner's 2018 Social Media Marketing Industry Report found that only 10% of respondents strongly agree that they can measure ROI, yet half of them will dedicate increased time and money to social media marketing instead of cutting back. Millionaire maker Dan S. Kennedy, joined by marketing strategist Kim Walsh Phillips, tells it like it is: If you're not focusing on converting traffic into sales, you might as well set your money on fire. Kennedy and Walsh Phillips open up their playbook and show you how to stop being a social media victim and accepting non-monetizable likes and shares as a return on your time, money, and energy, and start using your platform for its true purpose as another channel to reach customers, gain leads, and make sales. Learn how to turn passive content into an active conversion tool. Become a lead magnet with social media profiles that focus on the
