Beyond Money** Diana Finch,2024-08-01 Back in 2009 a group of people came together to try to create a currency that would
change the economic system for the better They called it the Bristol Pound By 2015 it was one of the world s most prominent
local currencies featured in the Financial Times and Time Magazine and even covered by Chinese state television However
the Bristol Pound stopped circulating in 2021 and in 2023 the organisation finally wound up Drawing on the lessons learned
as Bristol Pound s managing director the author examines the theory and practice behind many new economic ideas What
really is money Can we imagine an economic system that prioritises non financial value Can we create a post market
economy The author s conclusions shape a new narrative and understanding that will forever change how you think of money
and the economy **Infonomics and the Business of Free: Modern Value Creation for Information Services** Regazzi,
John J.,2013-08-31 The term infonomics has been coined to convey the underlying value of information in terms of its
production market demand and economic impact All consumers have come to assume that the information they seek is easily
accessible and more importantly free of charge Infonomics and the Business of Free Modern Value Creation for Information
Services addresses the question of whether or not information has become a commodity and examines how infonomics and

the business of free have changed the way companies must create and market their information to make it accessible and valuable for their customers Information professionals who are responsible for creating valuable information and making services sustainable and accessible will greatly benefit from this book s unique perspective and complete review of current research

Successful Failure Kevin Fredericks, 2025-09-23 NEW YORK TIMES BESTSELLER Being successful is no laughing matter unless the road there is littered with flops fool s errands fizzles and straight up failures from the New York Times bestselling co author of Marriage Be Hard I m so happy Kev failed because these stories will set so many free from perfection Tabitha Brown bestselling author of Feeding the Soul Kevin Fredericks aka KevOnStage is a viral stand up star an NAACP Image Award winning comedian the founder of KevOnStage Studios a New York Times bestselling author and a superstar on social media But his path to success wasn t always smooth As a kid Kevin noticed something useful If he made people laugh the grown ups would let him stay up late In church plays his commitment to the role of Goliath led to a busted lip and the audience couldn t get enough He dreamed of becoming a performer of finding that big break that would launch him into the bright lights of pop culture fame But as he soon found the road to the life we want is longer weirder more embarrassing and more entertaining than we think it will be In Successful Failure the comedian recounts hilarious stories and sincere insight from his adventures and misadventures trying to make it in life From performing under an alias to avoid getting fired from his suit and tie day job to breaking a chair onstage and quitting stand up for six months from pooping his pants on a bus next to his future wife to starting a clothing line called Dreams Don t Die they sure do if the merch doesn t sell Kevin reminds readers that while we might not be The Rock Warren Buffett or Kevin Hart we re all out here trying and that s okay Laugh out loud in one moment and perceptive in the next Successful Failure is a wild ride from one of America s funniest comics and a sendup of our ideals around hustle culture and success

PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0 Malik McCotter-Jordan, 2021-12-25 I m not suggesting that you fire your boss i e quit your job In fact I advise you to keep your job in this book I have a job That s called having more than one stream of income and I talk about that in this book This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest him shamelessly promoting financial firms that he has an ownership stake in and saving 10% to 20% of your income This is a raw and real book written by a guy who is only a few steps ahead of you That s it I m not a guru This is not a scam I put my heart and soul into making this I wrote this book as if it was for the 18 year old me Anyone who leaves a review saying that this book lacks realistic actionable advice is just plain wrong I even did what most of these personal finance authors don t have the guts to do I talk about my personal life and the mistakes I made that cost me thousands of dollars That s why this genre is called personal finance right I get really personal Some might say it s too personal If you re a young man who is tired of being broke living paycheck to paycheck not owning any assets being clueless about taxes and not being able to get ahead in the United States then this is the book for you I started off as a poor black boy in a small town in Alabama on

section 8 I currently have a 6 figure net worth If I can do it you can too Buy this book today *In Good Conscience* Nicholas Ind, Oriol Iglesias, 2022-09-30 When a customer employee or investor is faced with a choice of companies amidst a sea of competitors they increasingly consider how responsible that organization is Customers want to buy ethical and sustainable employees want to feel a sense of purpose at work and investors need reassurance that their investments are good for the long term To be competitive and valuable to society firms need to develop an organizational conscience that drives key strategic decisions and spurs sustainable and responsible innovation In this book the authors argue that organizations need to think critically about their role and to use their conscience to guide actions With plenty of concrete suggestions based on substantive research it shows how firms can reconcile the competing interests of stakeholders create an organization that is fair open and transparent and do the right thing while building a profitable business With integrated videos and international case studies featuring multinational companies as well as small firms this book explains how firms can make the transition to becoming conscientious

Miami in the Anthropocene Stephanie Wakefield, 2025-01-21 Reimagining adaptation amidst climate change driven mutations of urban space and life Between its susceptibility to flooding and an ever expanding real estate market powered by global surges of people and capital Miami is an epicenter of the urban Anthropocene and a living laboratory for adaptation to sea level rise Miami in the Anthropocene explores the social environmental and technical transformations involved in climate adaptation infrastructure and imaginaries in a global city seen as climate change ground zero Using Miami as a compelling microcosm for understanding the complex interplay between urbanization and environmental upheaval in the twenty first century Stephanie Wakefield shows how aqua urban futures are being imagined for the city from governmental scenario exercises for severe weather events to proposals to transform the city's metropolitan area into an archipelago of islands connected by bridges She examines the shifts reweaving the fabric of urban life and presents designs that imagine dramatic new ways of living with water Grounded in the dynamic landscape of Miami but reaching far beyond its shores Miami in the Anthropocene delves into the broader debates shaping urban thought and practice in the Anthropocene Focusing on postresilience urban designs Wakefield illuminates the path toward a future where cities embrace opportunities for evolution rather than merely for survival
