Dirty Rumor Amelia Wilde, My money couldn't save me from betrayal and it couldn't save my lover's life Now I'm a broken man headed back to New York to save my own skin I'll be the talk of the town the moment my plane hits the runway None of it matters until Carolyn She sees past the money to the man underneath and it brings me back from the brink of death The only problem She sees too much She knows too much I'm falling too hard and too fast If my secrets tear us apart I won't survive it But I've already rolled the dice Now I have to let them fall where they may no matter the consequences

The Break-Up Pact Emma Lord, 2024-08-13 A Library Reads Pick Most Anticipated by Goodreads Cosmo E News and more Two best friends who haven't spoken in ten years pretend to date after break ups with their respective exes go viral in this delightfully fun and deeply emotional novel from New York Times bestselling author Emma Lord June and Levi were best friends as teenagers until the day they weren't Now June is struggling to make rent on her beachside tea shop Levi is living a New York cliché as a disillusioned hedge fund manager and failed novelist and they've barely spoken in years But after they both experience public humiliating break ups with their exes that spread like wildfire across TikTok rabbit holes and daytime talk shows alike they accidentally make some juicy gossip of their own a photo of them together has the internet

convinced they're a couple. With so many people rooting for them, they decide to put aside their rocky past and make a pact to fuel the fire. Pretending to date will help June's shop get back on its feet and make Levi's ex realize that she made a mistake. All they have to do is convince the world they're in love. One swoon-worthy photo opp at a time. Two viral break-ups. One fake relationship. Five sparkling heart-pounding dates. June and Levi can definitely pull this off without their hearts getting involved. Because everyone knows fake dating doesn't come with real feelings. Right.
