Choose Freedom! Bruce Eberle, 2023-09-04 With more than 400 endnotes and endorsements from a broad number of national conservative leaders Choose Freedom provides a reliable guidebook for young people as well as a refresher for all conservatives Written expressly for high school and college students Choose Freedom is an antidote to the woke indoctrination that is pervasive in America's education system from grade school to grad school This rescue book is the ideal book for parents and grandparents to give to their children It not only explains why there is a bright line from the thinking of America's Founders to today's conservative movement but also exposes the rotten anti freedom lineage of today's progressive liberal movement Choose Freedom reminds readers of the challenges facing the nation the weaknesses of the left and warns of the panic and fear of those on the left who correctly surmise that their message only succeeds when the American people hear only their side of the story It is also a book of optimism Choose Freedom encourages young men and women to engage in the conservative movement to grow in understanding of its history and its values and to press forward Choose Freedom tells young Americans how to persuade others to join the conservative cause how to spread the message of conservatism on their college campus and why they should be optimistic that the current threat from the left will be repelled in this generation Using understandable language author Bruce Eberle explains the core reason that conservatives and America's Founders stand in total opposition to every conclusion of the progressive movement from its founding in the 1890s until today With more than 400 endnotes and endorsements from a broad number of national conservative leaders Choose Freedom provides a reliable guidebook for young people as well as a refresher for all conservatives

The Good Food Revolution Will Allen, 2012-05-10 A pioneering urban farmer and MacArthur Genius Award winner points the way to building a new food system that can feed and heal broken communities The son of a sharecropper Will Allen had no intention of ever becoming a farmer himself But after years

in professional basketball and as an executive for Kentucky Fried Chicken and Procter Gamble Allen cashed in his retirement fund for a two acre plot a half mile away from Milwaukee s largest public housing project The area was a food desert with only convenience stores and fast food restaurants to serve the needs of local residents In the face of financial challenges and daunting odds Allen built the country s preeminent urban farm a food and educational center that now produces enough vegetables and fish year round to feed thousands of people Employing young people from the neighboring housing project and community Growing Power has sought to prove that local food systems can help troubled youths dismantle racism create jobs bring urban and rural communities closer together and improve public health Today Allen s organization helps develop community food systems across the country An eco classic in the making The Good Food Revolution is the story of Will s personal journey the lives he has touched and a grassroots movement that is changing the way our nation eats

Literature and Social Media Bronwen Thomas,2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context
