Wernig, 2014-10-01. Purchase the hardcover version at www.stlhockeybook.com. Gateway City Puckchasers: The History of Hockey in St. Louis is the first book ever published that details the great hockey tradition in St. Louis, which dates back more than one hundred years. Beginning with the Ice Palace and the World's Fair Hockey Club and extending to the 2013-14 St. Louis Blues, who had one of the best records in the National Hockey League, every important moment is described. In addition to focusing on all of the teams such as the Flyers, Eagles, Braves, Vipers, River Otters, Chill, and Blues, several of the all-time great players and ambassadors of St. Louis hockey receive special focus. While there have been many great moments in Gateway City hockey, some are so indelible that stories alone are not nearly enough. Entire box scores of several games, including the first hockey game played in St. Louis in 1899, are included that details all of the important information. Gateway City Puckchasers also features many rarely seen photographs and drawings which only enhance the stories, as well as color graphics showing the various jerseys the professional teams wore through the years. This is a one-of-a-kind book and is a must-have for any St. Louis hockey fan.

Lindbloom,2010-11-24 I was told during the 09 10 season that two things were virtually impossible First the snowflakes were too fluffy to make a snowman in Fort Collins Colorado Secondly the Blackhawks could not win the Stanley Cup with their mediocre goaltenders As the saying goes Dont believe everything you hear and only half of what you get in writing This book is a zany look back at the resurgence of the men that wear the Indian Head on their chest a resurgence that began in the 07 08 season In this book youll discover Why President Obama desperately needs to watch a hockey game Why so much of Emily Dickinsons poetry is a reflection of what takes place on frozen pond What the Battle of the Bulge had much in common with the Predator quarterfinals The story of fan who momentarily took the violence out of hockey The role the classic film Napoleon Dynamite played in the 08 09 playoffs The incredible sacrifice of 1yr old Callum Birdzell during the Hawks quest for the Cup or why baby needs a new pair of jammies What the Darryl brothers from the Bob Newhart show had to do with the Hawks greatest comeback ever Why the Hawks switched to Queen Pawn Openings a walk on the wild side You know youre hooked by the larceny laced mayhem on the ice when you and your 14 yr old daughter look knowingly into each others eyes and say That Columbus game is going to be a big one How Capocalypse can be explained by considering James Brown Zorba the Greek and Mr Bo Jangles Why fans in Chicago are asking the fans in The City of Brotherly Love can we still be friends **On Family, Hockey and Healing**

Walter Gretzky,2011-06-01 The inspiring story of an ordinary man who from humble beginnings and against the odds of a devastating illness has led is leading an extraordinary life To many people Walter Gretzky is the ultimate dad the father of the Great One Wayne Gretzky and the first inspired coach to a talented young boy Walter s major insight into hockey that a player should go where the puck is going guided Wayne s brilliant style and Wayne himself has said about his talent It s God given It s Wally given It s safe to say that no other famous hockey player s father is held in such high esteem and that Walter Gretzky has carved out this singular niche in his own right Now for the first time Walter tells at length the story of his life about growing up on a small family farm about meeting and marrying Phyllis about raising four boys and a girl in a modest home in Brantford on the salary of a telephone repairman about hanging onto his modesty and values when the comet of talent and celebrity hit Walter also talks about the process of recovering from a stroke that came close to killing him ten years ago Through his own grit and determination and with the help of dedicated therapists and doctors his family and friends Walter battled back from an aneurysm that left him with many cognitive difficulties and destroyed a decade of memories including his recollection of the death of his mother and almost all

of Wayne's NHL triumphs of the eighties As many of the people who have encountered Walter even briefly will testify he is very charismatic and it's his extraordinary compassion which has flourished since his stroke that makes him so compelling Yes he struggles with some limitations but he has also discovered a calling in helping others All of his many public speaking engagements are for charity and this book would not exist were it not for Walter's role as the official spokesperson for Canada's Heart and Stroke Foundation The only way he would ever agree to talk about himself at such length was in the hope that his experience with stroke would be useful to other people Every second of every day is important to me he writes and I only hope that if telling my story can help even one person then all of this will be worth it And remember there is life after stroke look at me
