Bookstagram Picks Resume Template Near Me:

Me. Pick Me! E. Corrine Byrd, 2007-02-15 Whether you're looking for your first job, changing fields, or replacing a lost job, job hunting is a frustrating process that can make even the most confident and qualified among us a little nutty. Often competition is fierce and patience thin. Every possible edge job seekers can gain becomes critical. Written by prominent marketing and communications specialist E. Corinne Byrd, *Me. Pick Me!* Marketing Yourself for a Job is a dynamic step-by-step program for clever job campaigns including ideas and suggestions for resumes, cover letters, performance pledge letters, power interviews, golden gifts, and more. Discover secrets to wow employers. Stand out from the competition with personal marketing strategies. Create the best interview of your life. Use the power of visualization and affirmation for results. Write and use words that get you hired with sample scripts. Use the power of public relations to get your ideal job. Become a star employee to get promoted. Learn to negotiate salary and get pay raises. Sharing personal examples often infused with humor and always with encouragement, Byrd shares insights gained from more than two decades of award-winning public relations and copywriting experience, marketing and sales management. Her years as an executive in a world-famous motivational company provide readers with a unique brand of fail-proof job search techniques, plus an on-the-job system for climbing the ladder of success. Engaging, informative, and filled with useful tips, the book will help everyone from college grads to mid-level managers to executives say and do the right things to get a job. Byrd will become your personal coach as she shows you exactly how to achieve communication charisma and personal selling power for maximum advantage in an ultra-competitive employment marketplace. The book is designed to give the job seeker a competitive edge in wowing a potential employer and fast-tracking a career. *InfoWorld*, 1997-08-04 *InfoWorld* is targeted to Senior IT professionals. Jewish Books and their Readers Scott Mandelbrote, Joanna Weinberg, 2016-05-23 *Jewish Books and their Readers* discusses the transformative effect of the circulation and readership of sacred and secular texts written by Jews on Christians as well as Jewish readers in early modern Europe. Its twelve essays challenge traditional paradigms of Christian Hebraism and undermine simplistic visions of the unchanging nature of Jewish cultural life. They ask what constituted a Jewish book, how it was presented, disseminated, and understood within both Jewish and Christian environments, and how its meanings were contested, and what effect such understanding had on contemporary views of Jews and their intellectual heritage. They demonstrate how the involvement of Christians in the production and dissemination of Jewish books played a role in the shaping of the intellectual life of Jews and Christians. Contributors are Michela Andreatta, Andrew Berns, Theodor Dunkelgrün, Federica Francesconi, Anthony Grafton, Alessandro Guedes, William Horbury, Yosef Kaplan, Scott Mandelbrote, Piet van Boxel, Joanna Weinberg, Benjamin Williams.
