Boyer, 2022-08-30 This is a book about spirituality for the spiritual but not religious Those who identify themselves as spiritual but not religious make up one quarter of the population in the United States This book provides 189 monthly entries based on the national and international

celebrations that occur every month Each entry begins with the name of the occasion and the date when it is marked during the month A text from the Bible a US public law a presidential proclamation a United Nations declaration etc that illustrates the day is presented The text is followed by a reflection which gleans the spirituality from the text and provides historical background on the day being celebrated Journal meditation questions follow the reflection and a prayer concludes the entry This book is for the spiritual but not religious a practice of spirituality that does not regard organized religion as a valuable means to further interior spiritual growth A section of the introduction to the book explores who the spiritual but not religious are and presents the common themes that surface from research about them **Publishing Is Insanity**

Anonymous Publisher,2019-12-26 Book 1 Publishing has become an opportunity for many authors stay at home dads hard workers narrators cover designers writers different than authors I presume and the like However evil giant companies one in particular are sucking the life out of customers and the creativity out of authors to feed their greed and crush competitors in unethical ways After self publishing for several years now fulltime and making more than an average fulltime living with it I can attest to all the dirty secrets they are trying to keep from honest average Joes behind the screen This book is meant to shock you but not with false information All stories and quotes are based on true accounts from victims and experienced entrepreneurs You will read among others here comes the list you can actually find on the content page How one of the richest companies pays less taxes than you do even though they make billions in profit Why monopolies are hurting both customers and sellers in a lazy economy and why we may be all doomed if we continue this way Law transgressions and sleazy tricks the before mentioned company has stolen money and or market share to grow their monstrous empire Why most positive reviews and star averages on the company s enchanting website are actually fake which makes a lot of sense if you really take the time to think about it Money making loopholes in a flawed system that can help you make tens of thousands of dollars extra not kidding because they re too stupid or arrogant at headquarters to update their bots Lies to the public their loyal customers and their diligent sellers How E Books paperbacks on demand and audiobooks have evolved over the years On a different note I hope you re still happy and curious enough to click the buy button That way I can be rewarded for the many hours I spent writing this stuff and the willingness to reveal things nobody should actually know about Book 2 Yes you can make money self publishing books What do you think I m doing now by putting this book out there However it s not easy In fact it s super stressful heart breaking frustrating and sometimes bordering insanity The fake reviews the high volume the corrupted companies that own monopolic market shares it all adds up And then if you expect to get paid and they suddenly decided to investigate your account and steal all your royalties you need some kind of therapy That therapy is writing it all down in a book May Azoo s sins be exposed to the infernal depths of hell May they rot in their filth and the income they have stolen from thousands and thousands of hardworking dropshippers publishers and more honest competitors May the taxes we paid and they have received by playing evasive games be the nails to their coffin The truth has been buried long enough

Each year their sins of greed grow and their insatiable ruthless desire to crush their competitors and the very people who helped them grow their evil empire expand I wish you well in your publishing and business endeavors May these stories and warning signs guide you to estimate where the boundaries are what you can get away with and what will get you into trouble Written by a fulltime publisher who has achieved six figures in revenue for 4 consecutive years with online book pumping and in which 4 years 3 years were six figures in profit Learn from the best Go through hell and you will achieve the rest Don t be shocked Good luck **Haggle A Freebie** Anjali Sharda ,2020-07-14 This book is all about freebies free product or free sample strategies that one needs to know Whether you are a startup or big company freebies play a pivotal role in boosting a company s bottom line and top line growth It s a great brand building tool that big companies are using to make competition squirm To know the why how read the book FAST MBA Can Akdeniz,2014-05-14 For many professionals enrollment in an MBA programme is no longer the most practical route to furthering career goals Not only does it entail massive cost and ongoing debt but the fast moving nature of modern business has rendered large swaths of traditional curricula almost irrelevant This collection of 4 books offers an alternative to the traditional pathways of business learning
