 odyssey Peter Mugavero,2022-11-22 In today s world news and daily events are reported with sound bites and catchy phrases
 by the mass media social media news outlets politicians and political pundits We hear and see the coverage of these events
 and in turn disseminate it to our friends and family Unfortunately the news and events that we are told may not be as true
 and honest as we might think They may be told with a political slant and in some cases the news and events might even be
 omitted from the news cycle simply to hold back knowledge from the general public In writing this book I have assembled a
 chronology of the news and events that occurred in President Joe Biden s first year in office I have documented and compiled
 events that occurred in 2021 starting with President Joe Biden s Inauguration Day While reading through each day s events I
 am hoping that you will say to yourself I remember that or I don t remember hearing that Why was that news item not
 mentioned in the nightly news or cable news network I will also point out the hypocrisy and facts of the news story that has
 not been properly told until now While reading the book feel free to mark up the book and highlight some of the events Use it

as a time capsule Research an event further and discuss them with friends and family **U. S.
