Smith, 2018-10-15 William and Melinda Smith are a loving couple from the suburbs of New York City who longed to have a family and always dreamed of having children but when they receive the news that they are expecting multiples they are excited expecting them to be twins or triplets but when they find that they are having sextuplets six babies fetuses in one pregnancy they get more than they bargained for and yet they find that they love all six of their babies and best of all Melinda goes into labor on Christmas Eve and Melinda and Bill find that they end up receiving the most wonderful Christmas gifts that they could've ever received **New York Magazine**, 1989-10-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Liveness** Philip Auslander, 2022-12-30 Liveness Performance in a Mediatized Culture addresses what may be the single most important question facing all kinds of performance today What is the status of live performance in a culture dominated by mass media and digital technologies Since its first appearance Philip Auslander's groundbreaking book has helped to reconfigure a new area of study Looking at specific instances of live performance such as theatre music sport and courtroom testimony Liveness offers penetrating insights into media culture suggesting that media technology has encroached on live events to the point

where many are hardly live at all In this new edition the author thoroughly updates his provocative argument to take into account the impact of the internet and cultural social and legal developments He also addresses the situation of live performance during the COVID 19 pandemic In tackling some of the last great shibboleths surrounding the high cultural status of the live event this classic book will continue to shape opinion and to provoke lively debate on a crucial artistic dilemma what is live performance and what can it mean to us now This extensively revised new edition of Liveness is an essential read for all students and scholars of performance based courses
