Tragedy of Kings Dan Taber, 2018-09-14 As a crime fiction writer I know you can't make this stuff up As an American I'm troubled that it is still so entirely believable and topical some fifty years later Theresa Schwegel Edgar Award Winner In 1999 a largely unknown civil trial found government agencies guilty of conspiring to assassinate Martin Luther King The verdict and other circumstances have cast doubt on initial findings that a blundering criminal named James Earl Ray operated as the lone perpetrator Drawing from a vast bounty of shrouded government reports preeminent books articles and witness accounts Dan Taber offers an astute answer to the question of who was really responsible for the death of the greatest American equal rights proponent Curiously that answer is connected to a continually unfolding story Fifty years later echoes of the civil rights era resound Systemic racism remains and the forces that foster wealth inequality have grown stronger In order to cultivate change it is necessary to recognize the obstacles to cultural progress Therein lies the extraordinary value of *Tragedy of Kings* It traces the evolution of gluttonous corporate strategies and demonstrates how propaganda is driven into the minds of voters through industry backed online campaigns Incidentally the destructive impacts of business consolidation white collar crime and inadequate education are illuminated There are a lot of reasons why all of this matters but most importantly knowledge is the power that will revive King's dream

Trampled by Unicorns Maelle Gavet, 2020-10-06 A Wall Street Journal Bestseller An insider's revealing and in depth examination of Big Tech's failure to keep its foundational promises and the steps the industry can take to course correct in order to make a positive impact on the world *Trampled by Unicorns* Big Tech's Empathy Problem and How to Fix It explores how technology has progressed humanity's most noble pursuits while also grappling with the origins of the industry's destructive empathy deficit and the practical measures Big Tech can take to self regulate and make it right again Author Maelle Gavet examines the tendency for many of Big Tech's stars to stray from their user first ideals and make products that actually profoundly damage their customers and ultimately society Offering an account of the world of tech startups in the United States and Europe from Amazon Google and Facebook to Twitter Airbnb and Uber to name a few *Trampled by Unicorns* argues that the causes and consequences of Big Tech's failures originate from four main sources the Valley's cultural insularity the hyper growth business model the sector's stunning lack of diversity and a dangerous self sustaining ecosystem However the book is not just an account of how an industry came off the rails but also a passionate call to action

on how to get it back on track Gavet a leading technology executive and former CEO of Ozon an executive vice president at Priceline Group and chief operating officer of Compass formulates a clear call to action for industry leaders board members employees and consumers users to drive the change necessary to create better more sustainable businesses and the steps Western governments are likely to take should tech leaders fail to do so Steps that include reformed tax codes reclassification of platforms as information companies new labor laws and algorithmic transparency and oversight Trampled by Unicorns exploration of the promise and dangers of technology is perfect for anyone with an interest in entrepreneurship tech and global commerce and a hope of technology s all empowering prospect An illuminating book full of insights Trampled by Unicorns describes a realistic path forward even as it uncovers and explains the errors of the past As Gavet puts it we don t need less tech we need more empathetic tech And how that crucial distinction can be achieved by the tech companies themselves driving change as governments actively pave the road ahead

A Multilateral Convention for Tax Sergio André Rocha,Allison Christians,2021-11-29 The Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting MLI is the most forceful multilateral initiative to coordinate tax regimes on a worldwide basis since the dawn of modern income taxation over a century ago This book evaluates two radically opposed viewpoints on the convention a momentous and revolutionary paradigm shift versus a mechanism that merely continues an ongoing flow of limited policy coordination with detailed investigations that bring to life the hopes and the realities of the current era of multilateral tax cooperation Bringing together authors from national jurisdictions across the globe to scrutinize the MLI and its likely future ramifications the book provides in depth commentary and analysis in the following sequence first a comprehensive discussion of the design and goals of the MLI as a treaty and an institutional framework second an overview of the structure of the convention and its take up across the globe to date and third the substantive implementation of the MLI with a wide range of country reports Practice areas covered include tax law international law and international relations The legal workings and implications of the MLI might still seem mysterious to those whose daily work is impacted by it and there is as yet little jurisprudence regarding its legal nature or ultimate effect on the bilateral treaties coming within its scope For these reasons this pathbreaking book will be warmly welcomed by in house counsel and law firms advising cross border investors and firms nongovernmental organizations involved in policy analysis and issue advocacy researchers working on technical areas of international tax law and lawyers interested in international policymaking including the creation and diffusion of consensus based fiscal and related regulatory norms across jurisdictions of differing development levels
