Drac Von Stoller, Queen Victoria took being a queen to the head literally Anyone she did not like would be sent to the chopping block where she became famous for Off with their heads and off they went but one day that would all change when she yelled out Off with his head When the guillotine rope was being released and the blade came down it stopped within inches of the man s neck Then there was silence from the queen and spectators Everyone s jaw dropped because the queen was always successful at every execution The queen immediately got up from her chair and raced over to ask her henchmen why they failed The queen yelled out in anger Do it again So the henchmen examined the guillotine and got it ready again The queen sat back down in her chair and said No one leaves my execution with their heads still attached to their body The queen again yelled out Off with his head Again the blade came down inches from his neck and stopped This infuriated the queen and she would stop at nothing to get this man back on the chopping block The queen had to release the man because of the botched execution and scheduled the

execution the next morning The queen was laughed at by the spectators for failing at what she was famous for Jokes were said around town about the queen s botched execution but the queen refused to let one botched execution break her spirit The queen loved to look at her castle from a distance and see all the severed heads hanging over the castle walls from her executions this made her feel inferior to anyone

The Mysterious Disappearance of The Sara Ann Drac Von Stoller, It was one of the happiest days of Sara Ann s life it was spring break and her father bought a new boat He wanted to surprise his daughter and take her on her first trip on a boat in the ocean Sara lost her mother a few years ago to cancer and her father took it hard and knew in his heart no other woman could ever fill that hole in his heart so he just focused on his only daughter Sara Ann and made sure she never did without and always put her first because Sara was very close to her mother and he had not always been around because of working so many hours at his job and decided to do the best he could to raise her in a loving home so she could grow up and be the best person she could like her mother Sara s father bought the boat so he could spend more time with his daughter and let her see the beauty of the ocean even though it was short lived Sara s father blindfolded his daughter and took her to his barn where he hid the boat from Sara for a surprise When Sara entered the barn her father took off the blindfold and Sara said It s beautiful father Then her father said I ve got another surprise and he took her by the hand around the other side of the boat and said You can open your eyes now Sara cried tears of joy and said That s my name Her father chimed in and said I named the boat after you because when you were born it was the happiest day of your mom and I lives Sara gave her dad a hug and thanked him Her father said Why don t we take it for a spin Sara said That would be so cool I can only be gone for an hour because I promised my friends I would go with them on our spring break Her father replied That s fine I know you re excited about going on this trip and there will always be more trips on the boat in the days to come Remember I was young once too and I could not wait to go on spring break with my friends so no big deal Sara s father hooked up the boat to his truck and the two drove happily to the dock and set sail in the ocean on a clear beautiful sunny day Even though Sara s father read the stories about the Bermuda Triangle he just thought they were all explainable and not mysterious disappearances as were written about in many books

Till Death Do Us

Part Drac Von Stoller, Tom and Brenda had been married for over forty five years and all the love they once knew was gone They fought constantly but neither one of them had the guts to leave fearing if they divorced they would lose their beautiful mansion and expensive cars so they both just stayed together only for the material side of the marriage Every time they fought they would say to each other I wish you were dead They both meant it wholeheartedly They both slept in separate rooms and slept with one eye open fearing the other one would do them in Brenda still cooked for her husband out of guilt One night when they sat at the dinner table eating the dinner she cooked for them she decided to add a little surprise to his meal She put some roaches in his mashed potatoes and with a big smile on her face she watched him shovel the mashed potatoes into his mouth but it only took seconds for him to realize something was not right When he spit out the mashed

potatoes onto his plate one of the roaches was not quite dead yet and crawled out of the mashed potatoes Tom said What in the hell is going on here Brenda laughed and said You should have seen the look on your face Tom yelled back I don t find any of this very funny He threw his napkin down on the plate and said I m going to get me something else She just laughed as he slammed the front door behind him as he got in his car and sped down the road in search of a fast food restaurant

Pirate Ghost Ships Drac Von Stoller, During the year 1629 a pirate ship called the Salty Dog sailed the seven seas killing and looting every ship in its path The Salty Dog s reign of terror lasted for seven years before it was sunk by another ruthless bunch of scallywags manning another pirate ship called the Scallywag Captain de Plank and his men felt confident that their ship the Scallywag would be able to rule the seven seas longer than the Salty Dog but just as the Salty Dog met its fate so shall the Scallywag The Scallywag s reign of terror on the seven seas only lasted a year longer than the Salty Dog s did but not because another pirate ship sunk it but because the Scallywag s ship was poorly maintained so when the next fierce storm came upon them it was a definite sink

The Organ Collector Drac Von Stoller, Luther Gray was what you d call an oddball because of his fascination with the dead Luther always wanted to be a doctor but never got the opportunity because his father wanted him to inherit the family business and carry on the tradition like he did for his father when the business was passed on to him after his father died Education was never stressed in his family and if Luther made bad grades at school his father could care less so with no one to encourage Luther to excel at school he just dropped out in the eighth grade and helped his father with odd jobs at the funeral home As Luther got older his brain never developed beyond his eighth grade education which caused him to be shy and reserved with no friends outside the funeral home He was very proud of his work at his father s funeral home but he soon became bored with just draining dead people s blood from their bodies on the cold slab One day when his father had to go into town and run some errands this gave Luther a great opportunity to act out his fantasy Luther said to himself while he was wiping the dripping blood from the shiny blade he used a thousand times on the dead on the cold slab I ll just remove one organ and my father will never know Luther removed the intestines to make himself a belt to hold up his baggy pants Luther felt really cool about what he had done and that his father would never find out his dirty little secret Luther didn t realize he desecrated a human body because the organ that he removed wasn t for science but for Luther s own sick pleasure Luther s father returned shortly after finishing his last errand and said to Luther Is everything okay Luther replied Everything is just fine Father Unbeknownst to his father this was just the start of Luther s peculiar behavior

Town of The Dead Drac Von Stoller, Life in the small town of Castile Springs was pretty boring The only excitement this little town ever saw was bingo day only because it was one hundred percent retirement population but that was all about to change when Sarah being younger than the rest in the town thought this quiet little town would be a good place to work on her first novel for the summer Her first night in the town was pleasant until the owner of the house she was renting from asked her what her plans were Sarah replied I am working on my first novel and was looking for a small

town for some peace and quiet to finish it The owner chimed in and said Are you sure this is the place you really want to write your book Oh yes this is the perfect place replied Sarah The owner did not like her answer so he said I m sure there are other towns besides this one This town only has old people residing here I m sure you will be bored not having anyone to talk to Sarah quietly answered saying I m a bit of a bore myself so I think if I decided to make this my permanent residence I wouldn t be any bother to anyone The owner answered in a low tone of voice saying You know you can always change your mind in the morning Sarah said Thanks for your concern but I really need to start writing so if you don t mind closing the door behind you and if I decide otherwise you ll be the first to know Okay replied the owner in a voice of frustration After the owner closed the front door to the house she said to herself That man sure is an odd one and not very interested when I said that I may not leave when my novel is finished
