It Is What It Is S.J. Morgan, 2022-02-21 The voice of the book is reflective of the author and the life handed her the values she learned to cherish and take with her through her journey She

learned to make the most of life's situations relying on her sense of humor to cope. Through the disappointments and failures she recognized her weaknesses and turned to her faith to get her through. She attributes her courage of character strength and wisdom to a deep faith and trust in God. She bares her soul and becomes an open book such that you will find yourself laughing and crying and oft times identifying with life as she lived it. Her ability to accept life as is and to find a comforting blend of laughter and sadness is one of the main threads throughout the book. The sharing of her life is unique and entertaining.
