The Amazing 7-Day, Super-Simple, Scripted Guide to Teaching or Learning Percents Lisa Hernandez, M.S. Ed.,2015-02-21 Welcome to The Amazing 7 Day Super Simple Scripted Guide to Teaching or Learning Percents I have attempted to do just what the title says make learning percents super simple I have also attempted to make it fun and even ear catching The reason for this is not that I am a frustrated stand up comic but because in my fourteen years of teaching the subject I have come to realize that my jokes even the bad ones have a crazy way of sticking in my students heads And should I use a joke even a bad one repetitively the associations become embedded in their brains many times to their chagrin What is so different about this book First of all it is scripted so that tutors parents and teachers alike can deliver the lessons easily and without frustration Secondly the scripts and lessons have been carefully crafted to be ageless that is to apply to any learner based on age or level of mathematical mastery Finally the lessons have been carefully culled and edited over a decade in order to include the most necessary information in a finite and reasonable timetable something in this educator s opinion other books seem to lack
