The New Billable Hour Ritu Goswamy, 2019-02-05 The New Billable Hour is a practical guide for lawyers to gain control of their time work and life In today s demanding world lawyers must learn how to increase productivity so that they can competently bill more hours while still having a personal life Lawyer and productivity consultant Ritu Goswamy presents her unique system where lawyers learn How to have more hours in the day to bill clients How to bill more hours in less time How to take back control of their time How to transform hours into wealth How to balance the priorities in their life Goswamy s guide teaches lawyers how to bill more hours in less time by turning the traditional billable hour on its head By following her steps and billing themselves one new billable hour per day lawyers have more capacity to focus on their work increase their billable time and make more money

Diana Andrew Morton, 2009-12-01 The sensational biography of Princess Diana written with her cooperation and now featuring exclusive new material to commemorate the 20th anniversary of her death When Diana Her True Story was first published in 1992 it forever changed the way the public viewed the British monarchy Greeted initially with disbelief and ridicule the 1 New York Times bestselling biography has become a unique literary classic not just because of its explosive contents but also because of Diana s intimate involvement in the publication Never before had a senior royal spoken in such a raw unfiltered way about her unhappy marriage her relationship with the Queen her extraordinary life inside the House of Windsor her hopes her fears and her dreams Now twenty five years on biographer Andrew Morton has revisited the secret tapes he and the late princess made to reveal startling new insights into her life and mind In this fully revised edition of his groundbreaking biography Morton considers Diana s legacy and her relevance to the modern royal family An icon in life and a legend in death Diana continues to fascinate Diana Her True Story in Her Own Words is the closest we will ever come to her autobiography

Teaching Life Differently Judith (J.C.) Greeley, Melinda Doyle McCall, 2018-04-17 Children who are sighted learn concepts and gain experience through incidental learning the observation of events and interactions in their environment Students with visual impairment need to be systematically sequentially and concretely taught through hands on experiences Historically students got this learning through channels other than schools The teaching of recreation adaptive sports social life opportunities and career education require this specific systematic approach Individuals with vision impairment may also require specific interventions to learn independent living skills self advocacy and community relationships
