Through the book's many descriptions **Winter's Child** Christine Shuck, 2024-03-04 Yet fate in its unpredictable way bestows upon Nichole and Jhon a bittersweet miracle when tragedy strikes. That miracle is Elizabeth, an innocent girl forsaken by her birth mother and then tragically orphaned in a mysterious fire. In Elizabeth, Nichole and Jhon see the embodiment of their longings for love and family. They welcome her into their lives with open hearts, believing that the three of them will create the perfect family. As the seasons pass, Elizabeth's demeanor shifts like the changing weather. She is shy and sweet in the spring, warm and outgoing in the summer. However, as autumn descends, so too does Elizabeth's temperament, veering towards anxiety and withdrawal. And with the arrival of the cold, dark nights of winter, a chilling transformation takes place. Elizabeth becomes something entirely unexpected: Manipulative, Cunning, Dangerous. Nichole's idyllic dreams of family life quickly crumble as she realizes that the foundation upon which they are built harbors nightmarish secrets. In order to protect the ones she loves most, she must summon the strength to defy her own instincts and challenge the very principles that define her as a mother. In this gripping psychological domestic thriller, Nichole's struggle for survival takes center stage as she grapples with the unthinkable and confronts the darkness lurking within her once-promising family. Recent reviewers have said: "Everything about *Winter's Child* is absolutely terrifying. I had things to do this week. Time-sensitive things that needed my attention. People in my life that needed caring for. Instead, I holed up and speed-read this compulsively tantalizing little horror-thriller novel. Highly recommend. It's fun, it's creepy, it's unexpected. Would you protect this child at all costs, no matter what?" I loved every second of this thriller. Definitely a must-read for anyone looking for a thriller/suspense book. Strap on your seatbelt and prepare yourself for one wild rollercoaster of a ride through this story. Excellent book. Such an original story line. I'm struggling to write this review because I do not want to give anything away. You just have to read it for yourself. *Winter's Child* is a taut and chilling thriller from Christine Shuck, a gripping page-turner in the tradition of Gillian Flynn, Willow Rose, Jayne Renshaw, and Sarah Denzil.
