Frugal Living: How To Manage Your Money, Set Up A Budget & Achieve Financial Success (Learn the Fundamentals of Personal Finance) James

Denton, 2021-09-23 Frugality is probably something that you've heard a lot about because many people are adopting this lifestyle for themselves. It's about making life simpler but it all starts with small changes. Living in a frugal way won't all happen at once but the sooner you start making positive changes the better it'll be for both you and your family. Here is a preview of what you'll learn: Getting started with living frugally, How to shop frugally, How to create frugal meals, Clothing your kids and yourself on a frugal budget, Family fun for the frugal family, Saving money on your utility bills, Frugal tips for travelers, How to keep living frugally, Get out of debts forever, Retire wealthy, And much more. Minimalist budgeting can be easy and even fun if you have a good plan to follow. Also the good news is you do not have to cut down your shopping but this book will show you how to get more with less money spent. This book contains proven steps and strategies on how to change your personal financial present and future through this amazing budgeting plan.

Build a Wildly Profitable Online Brand- How to Market, Monetize, and Scale Fast Silas Mary, 2025-02-22 Want to build an online brand that dominates your niche and prints money? Build a Wildly Profitable Online Brand is your step-by-step guide to marketing, monetizing, and scaling fast without wasting time on strategies that don't work. Whether you're a content creator, entrepreneur, or personal brand looking to make serious money online, this book will show you exactly how to turn your brand into a profit machine. Inside you'll discover how to position yourself as an authority, craft messaging that grabs attention, and create content that builds a loyal audience. Learn how to leverage social media, email marketing, and digital products to generate revenue streams that work 24/7. You'll also get insider secrets on brand partnerships, high ticket offers, and passive income strategies to scale your earnings effortlessly. But making money is just the beginning; this book also teaches you how to sustain and scale your brand for long-term success. You'll learn how to automate key processes, build a fan base that buys from you again and again, and outshine the competition in any industry. If you're ready to stop playing small and start building an online empire, Build a Wildly Profitable Online Brand is your ultimate playbook for marketing smarter, monetizing faster, and scaling without limits. Let's make your brand unstoppable.

How To Build It Niran Vinod, Damola Timeyin, 2020-10-15 Introducing the new How To series from Merky Books: unlock your potential with our short, practical, pocket-sized guides.

How to Build It: Grow Your Brand In a world where everyone is trying to monetise their side hustle and the 5 to 9 is as valuable as the 9 to 5, building your brand is a necessity. But how can you work out what your brand is? How can you make it relevant and how can you give it real longevity? This indispensable step-by-step guide will help you understand all the key considerations as you build solid foundations for your brand to thrive and

The Deadline Effect Christopher Cox, 2021-07-08 I love deadlines I like the whooshing sound they make as they fly by So said author Douglas Adams but what if there was a way of making deadlines work for you and using them to ensure others provide you with what you want when you want it In Christopher Cox's brilliant new book he looks at the impact deadlines have on us and how we can use them to deliver the best results for all parties Social scientists have revealed that most negotiations run right up to the deadline before a deal is finally struck What they also discovered was that this deadline effect usually results in a worse deal for both parties Cox shows you how instead the deadline effect can be used to bring about success not failure The truth is that most of us think of deadlines all wrong They aren't immutable laws of nature they are a game we can play and win This book will show you the strategies different workplaces have come up with to do just that They are the businesses and individuals who are rehabilitating the deadline effect taking the urgency it provides and jettisoning all the down to the wire nonsense Based on his own experience as a magazine commissioning editor where coaxing writers to deliver on time is an art form he also embeds himself in other businesses such as a ski patrol ahead of the first day of the winter season to see how they meet deadlines that cannot be missed Above all this book is an argument to embrace the power of deadlines When time is limited people are less wasteful more focused productive and creative It's a liberating realisation excellence and timeliness are not at odds and the deadline effect can be highly effective
