Concert Tickets Usa:

The Concert Ticket Olga Grushin, 2010-03-25 On any given morning on the street corners of a Russian city little kiosks suddenly appear As soon as their shutters open a queue forms men and women lining up in the hope of a little bit of luxury a pair of silk stockings or a box of chocolates One morning news spreads that the exiled composer Selinsky will be returning to the city for one concert only and there is one kiosk somewhere selling tickets to this most magical event of the year So begins the story of a family in which a ticket to Selinsky s concert means everything for Sergei the father it holds the promise of an affair with another woman for his wife Anna it offers the hope of winning back her faithless husband for their son Alexander it means the possibility of escaping to the West The Concert Ticket is a fabulously told story of love longing and escape of beauty in a world of repression and of a family at the mercy of each other and the times in which they live **Official**
