

Reading Week 2: Decoding, Fluency, and Comprehension Lessons and Exit Tickets (3rd Grade)

What is Summarizing?

Good summaries include details of the stories, but they don't overshare.

Good summaries retell the main events of a story.

Let's Read Multisyllabic Words Together!

Follow the steps to read the words!
(even if you know the word, practice following the steps)

Summarizing a Story

Read the story and write a summary. Be sure to include what happens in the beginning, middle, and end.

Ella brought a bright red balloon to the park for her little brother's birthday. As she helped him climb the slide, a gust of wind blew the balloon out of her hand. It floated higher and higher into the sky. Ella ran after it, weaving through kids, trees, and picnic tables.

Finally, the balloon got stuck in a tall tree. Ella didn't know what to do—until a kind man with a long grabber stick offered to help. He reached up and gently pulled the balloon down.

Reading Multisyllabic Words

Read each word and break it into syllables. Under each syllable, write what kind of syllable it is (closed, open, vowel team, magic e, r-controlled, consonant le,). Then "scoop and read" the word.
