The Cult of Romance Sarah Ayoub, 2022-05-01 When your bestie is marrying a guy she barely knows can you save her from the cult before it's too late Natalie is living proof that love is a scam She's traumatised by her parents failed marriage and overwhelmed by her grandmother's expectations of good Lebanese girls marriage motherhood and exceptional tabouli making skills When her best friend decides to get hitched to a guy in the motherland Nat's not exactly thrilled by the mammoth task before her juggling cultural traditions extra bridesmaid dresses and super judgemental relatives And to top it off there's the annoyingly good looking best man and his constant need to mansplain all of the things Natalie is in for the trip of her life But can she save her friend from the cult of romance without falling in love herself PRAISE FOR THE CULT OF ROMANCE The Cult of Romance is a vividly realised dazzling and charming book which made me snort with laughter as much as it compelled me to pause for thought Ayoub tackles the agonies and joys of in betweenness of what who and where we make and feel homeland and heartland Her intimacy with the worlds she writes about is obvious in her rich and subtle descriptions Ayoub has given Australian YA literature a fresh and uniquely cross generational and cross border perspective on perennial themes of identity family friendship loyalty and love A young Australian Lebanese woman grappling with these questions as she navigates her parent's homeland Lebanon The story invites readers to think about the many worlds and worlds within worlds children of migrants must navigate without losing sight of the humour lightness and joys in the journey Ayoub has written something truly original and special Randa Abdel Fattah award winning author of *When Michael Met Mina* The Cult of Romance is a fun heartfelt and relatable read that buzzes with youthful energy Sarah Ayoub manages to criss cross two worlds and tenderly land in the space in between where children of diaspora often find themselves Her book deftly captures the angst of growing up torn between two cultures The Cult of Romance is for those who've never seen themselves in the pages of a novel whose old country customs say more about who they are than who their parents or grandparents were In this way The Cult of Romance is a quintessentially Australian story about love family belonging and finding your place in the world Jan Fran social commentator and Walkley Award winning journalist *Alpha Male: A Forbidden Opposites Attract Romance (How to Build Unshakable Self-confidence, Attract High-quality Women, and Build a Successful Life)* Theodore Jones, This isn't your usual preachy tome on how to be a man in the modern world No this one cuts through the bull speaking to those guys out there who are trying to navigate the murky waters of love and respect without losing their soul or playing the fool A guy who stands tall not because he can shout the loudest but because he's got an unshakeable core of integrity respect and a damn good understanding of who he is I have to find a way to keep her safe without finding out her brother and I are CIA Faking being her boyfriend to protect her seems easy enough until I learn that this spitfire's still got her V card The more time I spend with her the harder it gets to keep my hands off of her This book is more for men who like to build rotations have long term non monogamous relationships and maintain them or men who like long term

monogamous relationships whether that be marriage or just the regular committed relationship **My Very Own Gender Swap: A Branching Choices Gender Transformation Romance** Alyson Belle, What would you do if you had just one day to experience being a young gorgeous woman Where would you go Who would you talk to And how would the rest of your life turn out In My Very Own Gender Swap YOU get to make all of these choices and more as you join Chris Scalatore a young man in his early 20s on the romantic transformation adventure of a lifetime When his friend Kayla presents him with a unique opportunity to transform himself into the woman he might have been Chris gets to spend an entire day as Natalie the hot female version of himself Not only can you pick what Chris looks like as Natalie but you also get to decide what she does Do you go to the lingerie store or stay home to play with Kayla Will you spend your evening chatting up the cute artsy lesbian in the corner or yield yourself to the brash aggressive billionaire who wants to own and control you With over 300 pages of possibilities and sixteen completely unique endings the choices you make on this fateful day will affect Chris in very real ways that will stick with him for the rest of his life Can Chris learn to find true happiness during his day as a woman or will he end up even worse off than he would have been otherwise Only you can decide Unlike traditional books this is a branching narrative story that can be read multiple times with different events throughout At the end of each section there are several hyperlinks indicating choices you can make for Chris almost like a game You can tap your e reader tablet or click the link in your browser depending on where you re reading this to make the selection you want and you ll be transported to that section to continue the story While it s possible to use your back buttons to go back a step you ll probably have the most fun if you treat the decisions as permanent until your next read through just like Chris would have to do [The Ex-Girlfriend Agreement: A Fake Dating Romance](#) Emma Bray, Enjoy this fake dating romance series by USA Today Bestselling romance author Emma Bray He s the ex I never got over Now I need him to pretend he still loves me Holy disaster Two years ago I walked away from the love of my life Now I m begging Dean to be my fake boyfriend at my sister s destination wedding in Hawaii I expected him to tell me to take a hike straight into the ocean Instead Mr Muscled Up Rancher agrees with a dangerous glint in those whiskey brown eyes One week That s all I need to survive But our hotel room only has one bed His possessive hands remember exactly how to make me melt And that first pretend kiss It sets my whole body on fire Every time his deep voice rumbles against my skin I m drowning in memories of what we were and what we could be again This isn t just a game anymore Dean isn t just playing along He s playing for keeps When he pulls out a ring he s been saving for two years I realize I ve been lying to myself all along Our love was never fake And this time I m not running away A steamy second chance romance with an alpha hero who never gave up the woman who broke his heart and the fake relationship that becomes all too real No cliffhangers No cheating Just a sizzling hot happily ever after that will leave you breathless All books in this steamy fake dating series can be read as standalones For fans of Nicole Snow Meghan Quinn and Emily Henry this is a romantic comedy with a guaranteed happily ever after Like all Emma Bray s books it features an obsessed hero and an
