The First Connect Pooja Misra Khaitan, 2025-05-20 The past crashes into Kareena's present as her first love resurfaces after eighteen years awakening desires she thought were long buried As she struggles between two worlds two men and two versions of herself her inner turmoil deepens when a stranger enters her life further blurring the lines between loyalty and longing Meanwhile Mouni a teenager witnesses two contrasting expressions of love one driven by persistent pursuit the other by selfless serendipitous surrender Will the intense implications of love weigh upon the fragile heart of a woman and a girl on the cusp of understanding love The First Connect explores love's unpredictability unravelling the complexities of lost love being lost in love and love lost in translation Through delicate moments of magic and fleeting waves of whisper it asks does love thrive through conscious effort or does it find its way through fate alone And most importantly what makes a First Connect truly flourish and feel real

Inspire, Empower, Connect Anne Chan, 2010-01-16 Mentoring is a hot buzzword these days Unfortunately although the word mentoring is used all the time most people do not know what it means This book fills that gap by describing and illustrating the essential practices of outstanding mentors It provides a realistic look at mentoring by showing what goes on in a mentoring relationship and what mentors actually do with their protégés This book makes a unique contribution through its hands on approach to the thorny issue of cross racial and cross cultural differences in mentoring relationships The book shows how such differences can be handled successfully and can even enrich a mentoring relationship Specific mentoring practices and their racial cultural implications are presented and explained The book gives readers a clear sense of what they can do to mentor and make a real difference even when their protégés are radically different from themselves

The Courage to Connect Sandra L. Faiman-Silva, 2004 An examination of the transformation of a town from a Portuguese ethnic community into a predominantly homosexual tourist enclave Focuses on Provincetown RI Based on over six years of fieldwork Sandra L Faiman Silva's The Courage to Connect traces the transformation of the well known Cape Cod community of Provincetown from its nineteenth century origins a Portuguese fishing town to its present status as a welcoming sexually diverse tourist enclave The book critically examines the history of the Portuguese ethnic community and the local economy as well as the nature of intersections between gay and straight culture in areas such as public education local government and the police Using queer and critical culture theory to deconstruct day to day local encounters it lays bare the roots of social conflicts and how they can be resolved Capturing the pathos and joy of a community that has struggled to accommodate radical social changes The Courage to Connect serves as a model for understanding how communities can construct themselves to overcome their differences
