Mobilities in Remote Places Phillip Vannini, 2023-07-21 Mobilities in Remote Places explores the meanings challenges and opportunities of remoteness as practiced and experienced by those who live and work in some of the world s most remote communities As mobilities around the world proliferate in countless forms the meanings of remoteness undergo significant change Places once considered impossibly distant have appeared to become closer more accessible and less distinct from global centers of geopolitical power But instead of disappearing altogether configurations of remoteness evolve

manifesting themselves through new possibilities new challenges and new insecurities Drawing from a variety of case studies from around the globe the contributors of the book examine remoteness as an outcome of evolving mobility constellations Rather than defining remoteness as an absolute or objective time distance condition the book shows how remoteness is a practice experience and representation that is situated relational and emergent This collection of original and thought provoking chapters will be of interest to students and researchers in the humanities and social sciences with an interest in mobilities place and human geography

Remote and Hybrid Work Barbara Z. Larson, 2024 In *Remote and Hybrid Work What Everyone Needs to Know* R long time remote work scholar and consultant Barbara Z Larson provides an accessible and critical resource for understanding the remote and virtual workplace and how to lead in this new work environment Remote and hybrid work have become defining features of the twenty first century workplace and affect almost all of us including those who work daily in the office As many people discover the benefits and challenges of working from home co workers are contending with emptier offices and virtual teams managers are learning how to lead from a distance and businesses and governments are working through the policy implications of a new model of work In *Remote and Hybrid Work What Everyone Needs to Know* R Barbara Z Larson addresses key questions regarding the contemporary workplace what is the difference between virtual work and remote work How common is remote work and what changed due to the COVID 19 pandemic Is there a particular type of person who is better suited for remote work What are the effects of using technology to monitor remote workers What are the societal benefits and costs of remote work What has happened to companies that have tried to go fully remote with no offices at all Larson looks carefully into the challenges and opportunities that people and companies face today as work changes Chapters address the issues that vital stakeholders experience in remote work environments including the remote worker remote teams managers of remote workers and companies with remote workforces Larson also incorporates real world examples to illustrate key points and demonstrate best practices Readers will learn from more than thirty years of extensive research by scholars in the areas of applied psychology organizational behavior computer mediated communication and organizational economics *Remote and Hybrid Work What Everyone Needs to Know* R is a critical resource for understanding this new model of work

Humanizing Human Capital Solange Charas, Stela Lupushor, 2022-09-13 The work world is changing faster than ever before Adapting to this new reality without a significant interruption in results is increasingly a top priority for all businesses The key to thriving through disruption is understanding and practicing human capital strategies that will drive enterprise performance and value creation In Humanizing Human Capital renowned business thought leaders Solange Charas PhD and Stela Lupushor reframe traditional HR practices into a future forward strategy to optimize human capital Charas and Lupushor shift decision making about people from a gut sense to an evidence based approach a critical and much needed departure from the cross your fingers and hope for the best approach of most traditional HR programs today Humanizing Human Capital reveals a step by step method to apply analytics approaches to human capital while anticipating inevitable changes in the workforce landscape This will enable human capital professionals

to generate positive outcomes for all stakeholders and allow management to make decisions that work for the entire enterprise With this book s comparison of traditional with the future forward approach to human capital management case studies real world situations and 20 business principles you will learn to Adopt a best evidence versus best practice approach to decision making Shift your thinking so that you view human capital as a crucial investment rather than as a sunk cost Identify what needs to change to respond to future pressures and apply critical thinking to create workable solutions Balance human capital analytics with the more human centric elements of people management Equip yourself with approaches and tools to interpret the collective voice of the workforce Utilize methods to measure and optimize human capital efficiency increasing your ROI Increase value for all key stakeholders including investors management workers customers partners and the community at large The road ahead may seem unpredictable and even treacherous but Humanizing Human Capital provides leaders of any organization a new framework to create resilient responsive and innovative organizations with tangible and sustainable business results
