Marketing Superpowers Jon Davids, 2024-06-18. WARNING: This book isn't about how to be better at marketing. It's about building so much customer love that great marketing is just a by-product. So that people line up at your door. And there's nothing you can do to stop them. I've worked with 20,000 influencers and studied exactly how they build their brands. And then used those brands to launch cash-gushing businesses. Then I did it all for myself. It worked. And it can work for you too. I wrote this book to show you exactly how it's done. Inside these pages, you'll learn: How to turn attention into sales with this simple framework so that you can make more money from every single click. How to flip total strangers into your biggest fans with one critical story so that you never waste an opportunity to convert. How to charge more money for the same product with my 4 F's so that you can lower your costs and watch your bank balance climb. How to build endless social credibility with my 10 Faith Drivers so that every customer sends 1, 2, or 3 more customers to your door. How to inspire fan loyalty with my 5 Belief Builders so that you can sell to the same people over and over again. How to ensure that buying your product is the only logical decision so that you can ethically serve your customers, which is why you're in business after all. And so much more that you can put into action right now. Stop worrying about your marketing and start obsessing over your brand. Because when you get that right, business is so much easier.
