before you begin

Take a moment before you get started to familiarize yourself with the components of your headphones.

3

charge your headphones

You'll need to charge your headphone's battery for a minimum of 2 hours using the included charger.

Note: You cannot use the headphones while the battery charges.

- 1 Lift up the rubber flap and plug the charger into the charging port on your headphones, as shown.

The Charging indicator light turns red or yellow when battery is charging. It may take up to 1 minute for the indicator light to turn on. When the headphone's battery is fully charged, the indicator light turns green.

- 2 Disconnect the charger.

This product uses a lithium ion, rechargeable, non-replaceable battery. Under normal use, expected life of the rechargeable battery is approximately 400 charges.
