explains why and how men in Hong Kong use QQ an online instant messenger to chase women in mainland China especially in the neighboring city of Shenzhen Chasing women through QQ is a reciprocal exchange process during which the resources to be exchanged in the interaction are not negotiated Rather the men provide resources to the women hoping for rewards in return that are not guaranteed This characteristic of the exchange makes men who chase women through QQ very strategic in their action They try to maximize the rewards and minimize the costs by adopting myriad strategies such as constructing an attractive online identity by strategic self presentation The role of emotions in the exchange process is also examined Men learn the emotional norms through the online forum but sometimes it is difficult for them to control their emotions some men fall in love when they are not supposed to As it happens they have failed to calculate the costs and rewards rationally in that they may provide too many resources to the women without getting enough rewards in return This book provides original insights into the thought processes motivations desires anxieties and risks of Hong Kong men seeking short term sexual relations with women on the mainland These insights are highly relevant to our understanding of the quickly evolving use of social media a phenomenon of worldwide importance and deep implications

The Psycho Ex Game Merrill Markoe, Andy Prieboy, 2007-12-18 Lisa Roberty is a successful screenwriter with an impoverished social life who is enduring a demoralizing job at the mind numbing sitcom *You Go Girl* Grant Repka is an obscure indie rock musician who in his forties finds his career surprisingly resurrected with the success of his comic operetta about the doomed romance of Tommy Lee and Pamela Anderson When Grant and Lisa meet after one of his shows sparks don't immediately fly but e-mail addresses are exchanged A my book for your CD trade and a couple of e-mails later Lisa tells Grant that she enjoys his song *My Psycho Ex* but warns him that where psycho exes are concerned she's pretty sure she could drink him under the table Little does she know that this will become the opening salvo in an epic e-mail battle dubbed the *Psycho Ex Game* a storytelling competition in which horrific tales of dysfunctional love and living with lunatics are volleyed with glee The rules are simple the point system unique the experiences that would normally leave someone running for the therapist's office humiliation degradation and complicity in psychotic behavior just might win match point in the *Psycho Ex Game* Now it's Grant vs Lisa as the wretched tales of his ex the Junkie Queen of Darkness vie with the woe inflicted by her ex a tantrum throwing actor/director widely known as Mr Summer Box Office Record Holder As the correspondence evolves it surprises Lisa by offering her the kind of intimacy she has never shared with a man in the same room Before long what started as a friendly competition becomes a road map to an unlikely couple's growing involvement leaving both Grant and Lisa secretly wondering If we were to get involved which one of us is potentially the next *Psycho Ex* Written in alternating he said she said chapters *The Psycho Ex Game* is shot through with the acerbic humor of Merrill Markoe and the mordant observations that have made Andy Prieboy a literate voice in rock *The Psycho Ex Game* is a hilarious dissection of injuries sustained on the front lines of romance and the careful nursing that gets us battleready once again
