Ordaining Women New Edition With An Introduction And Notes:

Ordaining Women B. T. Roberts, 2015-11-10 B T Roberts saw the exclusion of women from ordination as analogous to racism His ability to see the new community made possible by Christ offers Christians today a prophetic vision of the difference Christ makes Roberts s 1891 *Ordaining Women* takes seriously the scriptural promise that Christ has unmasked the false distinctions and repaired the damaged social arrangements of this world Like the abolition of slavery the ordination of women becomes yet another obvious sign of the world made new in Christ With careful attention to biblical interpretation church tradition and empirical evidence Roberts exposes the biases that have long held captive the Christian imagination In this new edition Benjamin Wayman offers an updated and fully annotated version of Roberts s original work and demonstrates the breadth and depth of his analysis Roberts s vision of the gospel challenges the traditional and still dominant view of the global church and invites Christians to reimagine the inclusion of women in ordained ministry If Christians had for so long been wrong about race might we today be wrong about gender

The Methodist Defense of Women in Ministry Paul W. Chilcote, 2017-11-10 John Wesley promoted the ministry of women in early Methodism Amazing women like Phoebe Palmer Catherine Booth and Frances Willard founding figures in the holiness movement the Salvation Army and the Woman s Christian Temperance Union claimed biblical precedent for their groundbreaking ministries They withstood the onslaught of criticism and hostility from those who thought they had stepped out of their proper sphere Methodists have championed the cause of women and developed biblical spiritual and practical arguments for their ministry for two and a half centuries More than fifty documents from the history of Methodism chronicle the tortuous journey leading to biblical equality in this family of churches At a time when the ministry of women is under serious attack in a number of quarters yet again we all have much to learn from the witness of Wesleyan Christians who argued for women s ministry This story illustrates how faithful women when they knew they had the Lord s approval stood like the beaten anvil to the stroke Courage Defiance Perseverance Faithfulness These qualities define the Methodist defense of women in ministry

Ordained Women in the Early Church Kevin Madigan, Carolyn Osiek, 2011-02-01 In a time when the ordination of women is an ongoing and passionate debate the study of women s ministry in the early church is a timely and significant one There is much evidence from documents doctrine and artifacts that supports the acceptance of women as presbyters and deacons in the early church While this evidence has been published previously it has never before appeared in one complete English language collection With this book church historians Kevin Madigan and Carolyn Osiek present fully translated literary epigraphical and canonical references to women in early church offices Through these documents Madigan and Osiek seek to understand who these women were and how they related to and were received by the church through the sixth century They chart women s participation in church office and their eventual exclusion from its leadership roles The editors introduce each document with a detailed headnote that contextualizes the text and discusses specific issues of interpretation and meaning

They also provide bibliographical notes and cross reference original texts Madigan and Osiek assemble relevant material from both Western and Eastern Christendom Women's History of the Christian Church Elizabeth Gillan Muir,2019-01-01 Tracing two thousand years of female leadership influence and participation Elizabeth Gillan Muir examines the various positions women have filled in the church From the earliest female apostle and the little known stories of the two Marys the Virgin Mary and Mary Magdalene to the enlightened duties espoused by the nun the abbess and the anchorite and the persecutions of female witches Muir uncovers the rich and often tumultuous relationship between women and Christianity Offering broad coverage of both the Catholic and Protestant traditions and extending geographically well beyond North America A Women s History of the Christian Church presents a chronological account of how women developed new sects and new churches such as the Quakers and Christian Science The book includes a timeline of women in Christian history over 25 black and white illustrations a glossary and a list of primary and secondary sources to complement the content in each chapter *The Pictorial Bible ... With Original Notes ... by John Kitto ... A New Edition with Additional Notes, Etc ,1856*

The Ordination of Women Paul Jewett,2012-03-01 Upon its publication in 1975 Man As Male and Female a study of Scripture in which Paul Jewett argues that man and woman are properly related only when they accept each other as equals received much critical acclaim Now in *The Ordination of Women* Jewett argues that on the basis of the Christian ideal of the partnership of the sexes women ought to share fully with men the privileges and responsibilities of church ministry

Claiming the Call to Preach Donna Giver-Johnston,2021-05-25 Claiming the Call to Preach critically examines the dominant historical narrative that overtly or covertly has exercised its power to keep women from preaching Donna Giver Johnston here recovers the histories of four notable female preaching pioneers who affected change in the religious landscape of nineteenth century America Jarena Lee Frances Willard Louisa Woosley and Florence Spearing Randolph These women diverse in religion race class and culture each told their story of call in distinctive ways that articulated strong and effective rhetorical arguments for ecclesiastical sanction to give them a place in the pulpit The holy Bible, authorized version, with explanatory notes by T. Scott Thomas Scott,1844 Womanpriest Jill Peterfeso,2020-05-12 This book is openly available in digital formats thanks to a generous grant from the Andrew W Mellon Foundation While some Catholics and even non Catholics today are asking if priests are necessary especially given the ongoing sex abuse scandal The Roman Catholic Womanpriests RCWP looks to reframe and reform Roman Catholic priesthood starting with ordained women Womanpriest is the first academic study of the RCWP movement As an ethnography Womanpriest analyzes the womenpriests actions and lived theologies in order to explore ongoing tensions in Roman Catholicism around gender and sexuality priestly authority and religious change In order to understand how womenpriests navigate tradition and transgression this study situates RCWP within post Vatican II Catholicism apostolic succession sacraments ministerial action and questions of embodiment Womanpriest reveals RCWP to be a discrete religious movement in a distinct religious moment with a small group of

Why the Catholic Church Must Change Margaret Nutting Ralph,2014-09-04 Why do a third of the people raised Catholic in the United States no longer worship as Catholics Why has the Catholic Church lost a credible teaching voice for many young people Does the fault lie entirely with those individuals and with the secular culture In Why the Catholic Church Must Change Margaret Nutting Ralph first affirms that Catholics are called to seek the truth and to follow their well formed consciences not simply to submit mind and will to the teachings of the Magisterium She then argues that the Catholic Church which has been open to change in the twentieth century must continue to be open to change in the twenty first century change in some of its teachings and in some of its practices The Catholic Church has changed in the past and is being called to change in the present Before that change can occur the Church must enter into respectful dialogue about pertinent issues such as contraception women s ordination and homosexuality and present practices Ralph contends that Catholic culture not just secular culture needs a critical examination Why the Catholic Church Must Change engages the reader to enter into a necessary yet reasoned conversation about pertinent issues such as contraception women s ordination and homosexuality and present practices surrounding the Catholic Church Margaret Nutting Ralph critically examines pertinent topics of not just the secular culture but the Catholic culture that affects both families and culture as a whole and presents a model for how to discuss difficult issues in a respectful and thoughtful manner Ralph successfully discusses the issues surrounding the Catholic Church with awareness that the church is not the whole body of Christ Who Shall Lead Them?
