Women in Game of Thrones Valerie Estelle Frankel, 2014-04-04 Game of Thrones one of the hottest series on television leaves hundreds of critics divided on how feminist the show really is Certainly the female characters strong and weak embody a variety of archetypes widow queens warrior women damsels in distress career women priestesses crones mothers and maidens However the problem is that most of them play a single role without nuance even the strong women have little to do besides strut about as one note characters This book analyzes the women and their portrayals one by one along with their historical inspirations Accompanying issues in television studies also appear from the male gaze to depiction of race How these characters are treated in the series and how they treat themselves becomes central as many strip for the pleasure of men or are sacrificed as pawns Some nude scenes or moments of male violence are fetishized and filmed to tantalize while others show the women's trauma and attempt to identify with the scene's female perspective The key is whether the

characters break out of their traditional roles and become multidimensional **Hither Shore** Thomas Fornet-Ponse, Thomas Honegger, Evelyn Koch, 2023-06-27 Hither Shore das wissenschaftliche Jahrbuch der Deutschen Tolkien Gesellschaft e V DTG dokumentiert zum einen die Vorträge des Tolkien Seminars aus dem jeweils vorangegangenen Jahr und zum anderen weitere Forschungsarbeiten aus der DTG sowie aus ihrem direkten Umfeld Emerging Dynamics in Audiences' Consumption of

Keith Kelly, 2022-10-11 This collection of essays examines the structures of power and the ways in which power is exercised and felt in the fantasy world of *Game of Thrones* It considers how the expectations of viewers particularly within the genre of epic fantasy are subverted across the full 8 seasons of the series The assembled team of international scholars representing a variety of disciplines addresses such topics as the power of speech and magic the role of nationality and politics disability race and gender and the ways in which each reinforces or subverts power in Westeros and Essos **Envisioning Legality** Timothy Peters, Karen Crawley, 2017-11-22 *Envisioning Legality* Law Culture and Representation is a path breaking collection of some of the world's leading cultural legal scholars addressing issues of law representation and the image Law is constituted in and through the representations that hold us in their thrall and this book focuses on the ways in which cultural legal representations not only reflect or contribute to an understanding of law but constitute the very fabric of legality itself As such each of these readings of cultural texts takes seriously the cultural as a mode of envisioning constituting and critiquing the law And the theoretically sophisticated approaches utilised here encompass more than simply an engagement with harmless entertainment Rather they enact and undertake specific political and critical engagements with timely issues such as the redressing of past wrongs recognising and combatting structural injustices and orienting our political communities in relation to uncertain futures *Envisioning Legality* thereby presents a cultural legal studies that provides the means for engaging in robust sustained and in depth encounters with the nature and role of law in a global mediated world *The Impossible Woman* Kristen Hoerl, 2025-11-11 Although it may seem like the proliferation of strong women on television is a feminist achievement a deeper look into their stories tells us otherwise *The Impossible Woman* examines a variety of scripted US television series across multiple genres to show how the cultural value of television's extraordinarily talented female characters often rests upon their ability to endure but not overcome sexism Looking at *Parks and Recreation* *The Unbreakable Kimmy Schmidt* *The Marvelous Mrs Maisel* *The Queen's Gambit* *Game of Thrones* and *Queen of the South* Hoerl argues that these series

contribute to sexist realism or the cultural assumption that there is no alternative to patriarchy Situating impossible women's struggles in the context of contemporary feminist politics Hoerl explains how the problems facing television's strongest women illustrate mainstream feminism's paradoxical dependence upon on cultural misogyny neoliberal individualism and racism The Impossible Woman encourages readers to seek out alternative stories that might help them envision more just feminist futures
