Wissensmanagement in Familienunternehmen Helge Döring, 2016-05-03 Helge Döring untersucht wie Familienunternehmen unterschiedlicher Größen durch die Ausgestaltung von IT-basierten und nicht IT-basierten Werkzeugen ihr bestehendes Wissen unter allen Mitarbeitern verteilen neues Wissen aus der Umwelt aufnehmen und Wissensabflüsse z.B. durch Pensionierungen kompensieren können Es wird aufgezeigt dass die größte praktische Herausforderung für Familienunternehmen darin besteht die bestehende Wissensbasis zu schützen und das in den Mitarbeitern individuell vorhandene erfolgsrelevante Wissen in ein organisationales Wissen umzuwandeln *Organizational Behaviour* Gary Johns, Alan M. Saks, 2010-02-28 Real world cases and thoughtful discussion questions are a hallmark of this authoritative text This new edition is up to date on coverage of organizational behaviour research theory and applications earning it the reputation as the most respected resource in business studies *Organizational Behaviour* takes a rigorous approach to OB while maintaining its readability and engaging approach **Unlocking the Business Environment** John Brinkman, Ilve Navarro, Donna Harper, 2014-02-25 The business environment is a fundamental subject in any Business Studies degree course This new student friendly book divides the subject into the internal and external environment and where relevant discusses the interface between the two It is written with the outward looking student in mind and as a result encourages readers to reflect on what they have read and to consolidate their learning through regular self testing exercises and discussion points The text contains highly relevant and household name case studies ensuring that it is a highly topical and engaging book Where organisational styles differ the authors put forward the pros and cons of different points of view ensuring that students have the information necessary to make up their own minds and develop management strategies of their own

Diversity and Discrimination in Business Ethics, Higher Education and Society Deborah C. Poff, 2025-05-20 This book engages the reader in a critical and necessary examination of the nature and range of behaviours that comprise diversity and discrimination in business and society Discrimination and diversity are vitally important topics in the workplace as the manifestation of discriminatory practices leads to disfunction and a lack of effectiveness and efficiency in workplace settings The chapters in this text not only conceptualize and clarify the meanings of diversity and discrimination but as well nicely unpack various debilitating features of the phenomenon and its various practices This book is of particular interest to faculty teaching in schools of business as well as researchers in business ethics and business management As such it provides an excellent venue for the exploration of the various negative impacts of diversity and discrimination Transitioning from the

Top Stephanie Brun de Pontet, 2017-11-28 How can you move most effectively from the pinnacle of business and leadership success into post work life that energizes you and leverages your experience and your interests This book draws on the experience of several past CEOs to address the important topic of personal continuity for family business leaders transitioning from the day to day leadership of their enterprise Making this transition remains challenging for most leaders Lack of clarity or options for meaningful post CEO roles is a major factor in succession struggles resulting in wide reaching consequences for all stakeholders in the enterprise Here family business consultant Brun de Pontet takes an in depth look at the dynamics and challenges for leaders in transition and the systems around them to deliver insights on sources of difficulty and tips and tools for effective planning The book draws extensively on the experiences of more than a dozen former family business leader interviewees These highly driven and accomplished business leaders share stories and lessons from their own personal continuity journey as they transitioned from the top of their companies Combining these real examples with knowledge from years of consulting and research Brun de Pontet helps leaders broaden their sense of self as they look forward to a rich purpose filled next chapter in life
