Off the Record Simon Groth, 2010 The ultimate music fan's bible packed with insight into the world of rock n roll Off the Record brings together the best interviews and articles from Australia's music street press about bands on the cusp of greatness to megastars at the height of their powers all imbued with a cool street press indie sensibility Many pieces come from Time Off a magazine established in 1979 and the first free music entertainment weekly in Australia Far from regurgitating industry marketing copy music street press has a fiercely independent and wry voice Off the Record reflects this offering a unique insight into recent music history Powderfinger return from their first ever Sydney shows Nick Cave name checks his literary heroes and Neil Finn worries that Crowded House's new album might be a little too dark while elsewhere Kurt Cobain dives into Dave Grohl's drum kit and sprains his wrist in the process Australian bands from the Saints to the Grates and the Hilltop Hoods are featured but the international focus is strong too from the Rolling Stones and Sonic Youth to Oasis and the White Stripes This is the must have indie book about all things music Imperfection Telmo Pievani, 2022-10-11 In praise of imperfection how life on our planet is a catalog of imperfections errors alternatives and anomalies In the beginning there was imperfection which became the source of all things Anomalies and asymmetries caused planets to take shape from the bubbling void and sent light into darkness Life on earth is a catalog of accidents alternatives and errors that turned out to work quite well In this book Telmo Pievani shows that life on our planet has flourished and survived not because of its perfection but despite and perhaps because of its imperfection He begins his story with the disruption filled birth of the universe and proceeds through the random DNA copying errors that fuel evolution the transformations of advantages into handicaps by natural selection the anatomical and functional jumble that is the human brain and our many bodily mismatches Along the way Pievani tells readers about the Irish elk incidentally neither Irish nor elk whose enormous antlers serve to illustrate the first two laws of imperfection the widespread dissemination of costly or useless traits and the neuroimperfection of the human brain a frozen accident of evolution that was not designed from scratch as Pievani calls it He sizes up the alleged perfection of the human body asking for example if everything in our bodies serves a purpose why do we have appendixes Why bipedalism with the inevitable back pain that results In this fascinating account Pievani offers the first comprehensive explanatory theory for the ubiquity of imperfection *Let's Talk Race* Fern L. Johnson, Marlene G. Fine, 2023-05-16 Real conversations about racism need to start now Let's Talk Race confronts why white people struggle to talk about race why we need to own this problem and how we can learn to do the work ourselves and stop expecting Black people to do it for us Written by two specialists in race relations and parents of two adopted African American sons the book provides unique insights and practical guidance richly illustrated with personal examples anecdotes research findings and prompts for personal reflection and conversations about race Coverage includes Seeing the varied forms of racism How we normalize and privilege whiteness Essential and often unknown elements of Black history that

inform the present Racial disparities in education health criminal justice and wealth Understanding racially linked cultural differences How to find conversational partners and create safe spaces for conversations Conversational do s and don ts Let s Talk Race is for all white people who want to face the challenges of talking about race and working towards justice and equity Provence Ford Madox Ford,2012-10-31 Ford Madox Ford spent his last years in the south of France near Toulon In Provence 1935 written four years before his death he explores both the place and the idea of it not a country nor the home of a race but a frame of mind Suffused with a northern European s love for the Roman province that lies beneath the sun Provence evokes scents of rosemary and thyme in the dry air games of boules amid shadows of ancient ruins the food and flinty local wines Part memoir part travel narrative part history of the region Provence displays Ford s wise beguiling curiosity Humorous informed digressions take in the Albigenian heresy bull fighting a favourite recipe for bouillabaisse Henry James and Ellen Terry the Troubadours and much else Over the gaiety looms the coming barbarism the fixed bayonets machine guns uniforms and arresting fists against which Ford s Provence is a fragile precious hope for civilised values This edition is based on the authoritative 1935 Lippincott edition and includes the original illustrations by Ford s companion the outstanding American artist Biala **The Seeker's Guide** Elizabeth Lesser,2008-11-18 In 1977 Elizabeth Lesser cofounded the Omega Institute now America s largest adult education center focusing on wellness and spirituality Working with many of the eminent thinkers of our times including Zen masters rabbis Christian monks psychologists scientists and an array of noted American figures from L A Lakers coach Phil Jackson to author Maya Angelou Lesser found that by combining a variety of religious psychological and healing traditions each of us has the unique ability to satisfy our spiritual hunger In The Seeker s Guid she synthesizes the lessons learned from an immersion into the world s wisdom traditions and intertwines them with illuminating stories from her daily life Recounting her own trials and errors and offering meditative exercises she shows the reader how to create a personal practice gauge one s progress and choose effective spiritual teachers and habits Warm accessible and wise this book provides directions through the four landscapes of the spiritual journey THE MIND learning meditation to ease stress and anxiety THE HEART dealing with grief loss and pain opening the heart and becoming fully alive THE BODY returning the body to the spiritual fold to heal and overcome the fear of aging and death THE SOUL experiencing daily life as an adventure of meaning and mystery The Dramatic Works and Poems of William Shakespeare, with Notes, Original and Selected, and Introductory Remarks to Each Play William Shakespeare,1831 **Broadcast Licence Renewal Act, Hearings Before the Subcommittee on Communications Of..., 93-2...** United States.
