Bezos vs. Musk - A Global Battle Mehdi Chaabi,2021-10-13 There is a hidden agenda in Elon Musk and Jeff Bezos s space exploration to colonize Mars and the Moon The media portray them as Americans who are rekindling space exploration that was once dominated by the rivalry between the United States and the extinct Soviet Union Before you write off what I have just said hear me out For more than a decade I ve closely studied the lives of Bezos and Musk I have watched as Jeff Bezos dominated online retailing and Elon Musk building Tesla and SpaceX As each spread their wings to critical industries I began to notice a pattern that only leads to one conclusion the hidden agenda each harbors On the surface it appears each of them is interested in dominating space However when you study how they operate in every industry you cannot help but conclude that there is more to their modus operandi If you would like to find out what this hidden agenda is and how Musk and Bezos are dominating the industries they each operate in then BEZOS vs MUSK is a book you should read In this book I Dan Bleigh an MBA graduate will be providing a unique angle of looking into the innovations and technology that Bezos and Musk use to dominate I compare the two top richest people in the world side by side You ll learn the logistics strategy that each of these entrepreneurs applies to move their companies to the top Here s more of what you ll learn in this book Two dreams that Elon Musk has that ll take him to the top of the air transportation industry Discover two images in the conclusion that shows what Elon Musk and Jeff Bezos are planning when they re done with their respective projects What Jeff Bezos did to force NASA to freeze the Artemis program for a few months An initiative that Elon Musk is undertaking to help increase the thinking power of human beings and why he s doing it Why Elon Musk and Amazon Web Services have funded OpenAI A potent strategy that Amazon uses to dominate an industry it never operated in before And much much more The rivalry between Jeff Bezos and Elon Musk is intense and these two billionaires are in conflict over NASA s contracts However these conflicts are hiding what is happening in reality If you want to find out the truth behind the rivalry of Bezos and Musk get BEZOS vs MUSK **Complete**
