Leadbeater,2014-04-29 This insightful book looks at the phenomenon of low cost innovation and explores what we can learn from the innovators in developing nations who are making amazing technical and social advances with scarce capital and resources Charles Leadbeater shows how these methods can be applied and used wherever you are and whatever your capital [Luxury Brands in China and India](#) Glyn Atwal,Douglas Bryson,2017-06-27 This book provides an analysis of the luxury industry in two of the world s biggest and evolving markets and identifies and discusses the key issues and dynamics in transforming their luxury landscapes By discussing the elements that are most likely to dominate boardroom agendas the pragmatic implications for both strategic and marketing planning are made clear Special emphasis is placed upon well contemplated responses to luxury brand marketing challenges that executives are likely to face as they push their brands to adapt and thrive in these shifting markets **Luxury Indian Fashion** Tereza Kuldova,2016-03-24 This unique ethnographic investigation examines the role that fashion plays in the production of the contemporary Indian luxury aesthetic Tracking luxury Indian fashion from its production in village craft workshops via upmarket design studios to fashion soir es Kuldova investigates the Indian luxury fashion market s dependence on the production of thousands of artisans all over India revealing a complex system of hierarchies and exploitation In recent years contemporary Indian design has dismissed the influence of the West and has focused on the opulent heritage luxury of the maharajas Gulf monarchies and the Mughal Empire *Luxury Indian Fashion* argues that the desire for a luxury aesthetic has become a significant force in the attempt to define contemporary Indian society From the cultivation of erotic capital in businesswomen s dress to a discussion of masculinity and muscular neo royals to staged designer funerals *Luxury Indian Fashion* analyzes the production consumption and aesthetics of luxury and power in India *Luxury Indian Fashion* is essential reading for students of fashion history and theory anthropology and visual culture *Remote Control* Shoma Munshi,2012-12-15 What do the TV shows we re watching tell us about ourselves Television is the single most powerful and dynamic agent of change in India today It is also the country s most popular and accessible form of entertainment *Remote Control* examines three kinds of programming 24x7 news soap operas and reality shows that have changed Indian television forever and analyzes how these three genres while drawing on different sources are hybridized indigenized and manage to ultimately project a distinctively Indian identity Shoma Munshi s book shows us how everyday reality in India in the twenty first century shapes television and how television in turn shapes us [Insight Edge](#) Vivek Banerji,2025-06-25 As Artificial Intelligence reshapes industries one question looms large Where does human ingenuity fit Drawing on decades of experience at organizations such as Insight Dojo McKinsey and

PepsiCo Vivek Banerji reveals how to generate powerful insights that drive transformational success for organizations. He urges us to embrace the dynamic interplay of art and science, imagination and pragmatism, theory and practice, and to draw inspiration from diverse disciplines, whether it is machine learning, design, statistics, psychology, music, art, or sports. Insight Edge makes a compelling case that information alone does not create insight. Instead, it is inherently human qualities—curiosity, analytical thinking, creativity, and empathy—that shape meaningful strategies and drive breakthrough outcomes. With real-world examples and actionable frameworks, this book equips leaders and professionals, CEOs, marketers, customer insights experts, strategists, non-profit executives, entrepreneurs, and data analysts, to move beyond algorithms and tap into the irreplaceable power of human insight. *Keywords for India* Rukmini Bhaya Nair, Peter Ronald deSouza, 2020-02-20

What terms are currently up for debate in Indian society? How have their meanings changed over time? This book highlights key words for modern India in everyday usage as well as in scholarly contexts. Encompassing over 250 key words across a wide range of topics, including aesthetics and ceremony, gender, technology, and economics, past memories and future imaginaries, these entries introduce some of the basic concepts that inform the cultural unconscious of the Indian subcontinent in order to translate them into critical tools for literary, political, cultural, and cognitive studies. Inspired by Raymond Williams' pioneering exploration of English culture and society through the study of keywords, *Keywords for India* brings together more than 200 leading sub-continental scholars to form a polyphonic collective. Their sustained engagement with an incredibly diverse set of words enables a fearless interrogation of the panoply, the multitude, the shape-shifter that is India. Through its close investigation and unpacking of words, this book investigates the various intellectual possibilities on offer within the Indian subcontinent at the beginning of a fraught new millennium, desperately in need of fresh vocabularies. In this sense, *Keywords for India* presents the world with many emancipatory memes from India. *Sphere of Influence* Gideon Haigh, 2011-08-18

Does cricket make money in order to exist, or does it exist in order to make money? In the last three years, cricket has changed more completely than in the preceding three decades, revolutionised by a racy new format, Twenty20, and a glamorous new competition, the Indian Premier League. How did India come to run world cricket? How did clubs owned by billionaires and Bollywood stars begin to shove international competition aside? How did money unite players and divide administrators amid allegations of massive corruption? Gideon Haigh has followed cricket's biggest story since Kerry Packer's World Series from the beginning. *Sphere of Influence* is the result. This insightful collection brings the struggle to save cricket's soul into sharp and disturbing focus. *Handbook of Dialogical Self Theory* Hubert J. M. Hermans, Thorsten Gieser, 2011-11-24

In a boundary-crossing and globalizing world, the personal and social positions in self and identity become increasingly dense, heterogeneous, and even conflicting. In this handbook, scholars of different disciplines, nations, and cultures, East and West, bring together their views and applications of dialogical self theory in such a way that deeper commonalities are brought to the surface. As a bridging theory, dialogical self theory reveals unexpected links between a broad variety of phenomena, such

as self and identity problems in education and psychotherapy multicultural identities child rearing practices adult development consumer behaviour the use of the internet and the value of silence Researchers and practitioners present different methods of investigation both qualitative and quantitative and also highlight applications of dialogical self theory

**Ecofeminist Perspectives from African Women Creative Writers** Enna Sukutai Gudhlanga, Musa Wenkosi

Dube, Limakatso E. Pepenene, 2024-02-23 This volume explores contemporary African women's creative writing highlighting their contributions to ecofeminist theology Contributors address the following questions How do contemporary African women writers depict the Earth land environment and its relationship to women in various contexts How is religion featured in African women's writing How does religious literature scriptures form an intertextual layer in African women's writing The contributors proceed by analyzing the intersection of religion gender class sexuality colonialism and ecology in selected texts written by African women They bring these texts into conversation with broader ecofeminist theological scholarship exploring the potential of literary writing to contribute to theological discourse of liberation and social justice in the African and global arena *The Young Woman's Friend, Or, The Duties, Trials, Loves, and Hopes of Woman* Daniel Clarke

Eddy, 1857 **Life of Hannah More. A Lady of Two Centuries** Anna Jane Buckland, 2024-03-20 Reprint of the original first published in 1882 *The Galaxy* William Conant Church, 1870 *Creating Historical Memory* Beverly Boutilier, Alison Prentice, 2011-11-01 Canadian women have worked individually and collectively at home and abroad as creators of historical memory This engaging collection of essays seeks to create an awareness of the contributions made by women to history and the historical profession from 1870 to 1970 in English Canada *Creating Historical Memory* explores the wide range of careers that women have forged for themselves as writers and preservers of history within outside and on the margins of the academy The authors suggest some of the institutional and intellectual locations from which English Canadian women have worked as historians and attempt to problematize in different ways and to varying degrees the relationship between women and historical practice The authors raise many interesting questions about how gender influences historical consciousness and whether looking at the past through women's eyes alters the view Women engaged in history in a wide variety of ways as authors of fiction popular history juvenilia and drama as well as more academic research and publishing They worked as individuals as both professional writers and academics and within formal and informal communities of women such as

religious groups or local clubs The essays also talk about the barriers that existed for women who wanted to be recognized as historians and teachers of history and point out how gender differences have coloured perceptions of what constitutes history and who should write that history This anthology shows how instead of being intimidated or defeated by their marginalization women developed new and interesting ideas about what constituted history The final essay in the volume assesses the impact the burgeoning of feminist history in the 1970s had on the academy and examines the connection between feminist activism and women s history This original and lively book highlights the pioneering efforts of women in developing alternate paths to historical expression It makes an important contribution both to Canadian historical studies and to women s and gender history in the West and will appeal to scholars interested in Canadian history women s studies literature and historiography
