Netflix Deal Setup:

Digital Marketing Rajan Gupta, Supriya Madan, 2024-03-26 DESCRIPTION The ultimate objective of digital marketing is to develop a solid and creative plan for promoting a business's products and services. A digital marketing professional is expected to utilize all marketing tools and tactics successfully including PPC, SEO, SEM, email, social media, and display advertising. This book guides readers through various digital channels including search engines, websites, social media, email, YouTube, and WhatsApp to market and sell business items efficiently. The anecdotes and case studies provided will help the reader get an inside-out view of marketing a product or service on the digital platform to reduce their learning curve. The readers can achieve their digital marketing career goals without spending years making unnecessary errors, recovering from them, and learning the hard way. It discusses essential tools, approaches, and strategies to build them, such as enhancing the capacity to develop market-friendly use cases and evolving a solution strategy in varied business or technology environments. This book makes it easy for readers to increase their employment and job market relevance, allowing them to sprint towards a successful career in digital marketing. This new edition of the book has updated information along with the addition of new topics like audience acquisition, behavior, and conversion analytics. The revised edition also introduces various platforms and tools such as Hootsuite, Buffer, Hotjar, Trello, etc. The addition of a new chapter on the Role of AI in Digital Marketing will help you stay updated on your digital marketing journey. WHAT YOU WILL LEARN Know the difference between the outcome of traditional marketing and digital marketing. Make use of social media marketing for product promotion. Explore the potential of search engine optimization for brand product visibility. Use Facebook, X, and Instagram for wide audience outreach. Work around Google Analytics for measuring the success of advertising campaigns. WHO THIS BOOK IS FOR This book is for everyone who wishes to drive marketing and sales targets and accomplish these goals through the use of digital initiatives. The book can be picked up by anyone, no matter how much they know. Investing in Movies Joseph N. Cohen, 2021-12-30 In this second edition of *Investing in Movies*, industry veteran Joseph N. Cohen provides investors and producers with an analytical framework to assess the opportunities and pitfalls of film investments. The book traces macroeconomic trends and the globalization of the business, including the rise of streamers as well as the impact these have on potential returns. It offers a broad range of guidelines on how to source interesting projects and advice on what kinds of projects to avoid, as well as numerous ways to maximize risk-adjusted returns. While focusing primarily on investments in independent films, Cohen also provides valuable insights into the studio and independent slate deals that have been marketed to the institutional investment community. As well, this new edition has been updated to fully

optimize the current film industry climate including brand new chapters on the Chinese film market new media streaming services and the effects of COVID 19 on the global film market Written in a detailed and approachable manner this book is essential for students and aspiring professionals looking to gain an insider perspective against the minefield of film investing
