

The background of the entire image consists of three sets of concentric circles, each centered around a small, light-colored, textured sphere. The circles are made of a material that looks like wood or stone, with a grainy texture. The top set of circles is the largest and most prominent, with the sphere in the center. Below it is a smaller set of circles, and at the bottom is the smallest set. The overall effect is a sense of depth and movement, as if the spheres are rolling or vibrating, creating ripples in the material.
